#### **Report**

This is an application to amend the Bulyea Heights Neighbourhood Structure Plan to accommodate row housing for first time homebuyers on land declared surplus to school board needs. The plan amendment proposes to remove the opportunity for medium density seniors housing on the site and expands the area of opportunity for row housing for first time homebuyers to equal size of two vacant surplus school building envelopes. The proposed amendment includes text and map revisions accordingly.

Concurrently, Bylaw 17577 affects that portion of GHV Bulyea Park, proposing to rezone from (AP) Public Parks Zone, (CS2) Community Services 2 Zone, (CS3) Community Services 3 Zone, and (RA7) Low Rise Apartment Zone to (AP) Public Parks Zone, (CS3) Community Services 3 Zone, and (US) Urban Services Zone, accommodating existing school and park uses in addition to row housing uses.

All comments from affected civic departments and utility agencies have been addressed.
