REPORT

Policy, Plan and Guideline Review

The District Planning project reviewed all plans in effect and other planning tools in the Whitemud District to determine their relevance in guiding future development decisions.

See the May 28, 2024, Urban Planning and Economy report UPE01245 Charter Bylaw 24000 - District Policy for a more detailed description of the process used to determine which plans were to be repealed and amended.

Reason for Repeals

The planning documents listed in this bylaw are proposed to be repealed to facilitate the adoption of the Whitemud District Plan. In general, these plans do not advance the direction of The City Plan. See the May 28, 2024, Urban Planning and Economy report UPE02174 Charter Bylaw 24015 - Whitemud District Plan for the rationale for repealing each plan listed below:
