**Notes:**

Priority Asset for Condition Assessment

Asset included in the 2015-2018 Building and Facility Rehabilitation

\* Condition Rating Definition:

- Good includes ratings A - Excellent ( Asset is new / state of the art and meets present and foreseeable requirements) and B - Good (Asset is performing well and meets all present requirements. Minor deterioration or negligible deficiencies)
- Fair includes rating C - Acceptable ( Asset currently meets present requirements, but there are some deterioration and minor deficiencies. Average operating/maintenance costs)
- Poor includes ratings D - Marginal ( Asset currently meets minimum requirements, has extensive deficiencies that may contribute to above average operating maintenance costs) and F - Critical (Asset represents an unacceptable, unhealthy, or unsafe condition (high risk of injury) requiring immediate attention in order to ensure continued access, use and safety of staff and public)

\*\* Asset designated as Provincial Historic Resources by Alberta Culture and Tourism
