

Message from the Co-Chairs

Message from the Executive External Chair, Lakshmi Peddi

As I approach the conclusion of our term, I have found myself reflecting on the incredible journey I have embarked upon over the past year. It has been a true honour and privilege to serve as the Executive External Chair for the 2023-2024 term, and see how CEYC has developed through the past five years of my tenure.

The City of Edmonton Youth Council (CEYC) has continued to evolve and flourish, thanks to the dedication of each and every one of the youth who are a part of CEYC. Together, we have worked tirelessly to advance our mission of providing meaningful opportunities for youth engagement and advocacy in municipal affairs.

As we reflect on the goals we set at the beginning of our term, our aim was to educate, empower, and provide opportunities. Through our collective efforts, significant strides have been made in each of these areas. These initiatives enriched our community, strengthened our bonds, and nurtured a sense of belonging among our members.

I am immensely grateful for the creativity and resilience demonstrated by each member of our council. Their passion for making a difference in our city is truly inspiring, and it is through the collective efforts of everyone that we have been able to achieve so much.

I would also like to extend my heartfelt gratitude to my fellow committee members, youth-at-large volunteers, City Council, and community partners for their unwavering support and collaboration throughout the year. Together, we have proven that youth voices matter and that we are not just the leaders of tomorrow, but the leaders of today as well.

As our term comes to a close, I am excited to see the legacy of our collective work continue to thrive, and I do not doubt that the CEYC will continue to grow and empower the youth of Edmonton to make a lasting impact on our community for years to come.

Thank you again to the incredible individuals at CEYC for your commitment to creating positive change in Edmonton. It has been an honour to work alongside each of you.

With gratitude,
Lakshmi Peddi

Message from the Executive Internal Chair, Reetu Arvikar

I am honoured to have had the opportunity to serve on CEYC for the past four years and on CEYC's executive for the past three. Youth Council is an organization where I truly see the immense dedication and drive youth hold to improve our city. I am incredibly grateful to have led as the youngest Executive Chair in CEYC's history and hope that this encourages even more youth throughout our community to be active members of this city. The work that the youth council does is innovative, effective, and tangible because it is fuelled by passion, hard work, and dedication.

If there is one thing I have learned in my tenure as the Chair over the past two terms, it is that the youth of our city consistently persevere and strive to speak on matters that are

passionate to them. Whether that be speaking directly to City Council to address issues or emphasizing the youth perspective through extensive media coverage. Every term, youth councillors are faced with new and difficult challenges but they never fail to overcome those hurdles with both strength and grace. Not only are youth the future of tomorrow, but they are the change that we need today. I am proud of all the work our members have been so dedicated to in the past years and I am incredibly eager to see how CEYC will continue to empower these voices in the future.

Concluding Remarks

The CEYC's accomplishments throughout the past year have undoubtedly been impressive. Regardless of who holds the executive chair position, the hard work of the 20 Voting Committee Members, our 6 subcommittee co-chairs, and the over 60 Youth-at-Large members are the force that make CEYC the welcoming and driven advisory committee it is today. It has been truly inspiring to witness the growth and collaboration that has flourished within our council.

Our goals to mobilize youth, empower youth, and provide meaningful opportunities for participation in local government are consistently met every year. From advocating for important municipal issues to empowering youth through education and engagement, we have made a tangible impact on our community and demonstrated the power of youth voices in shaping the future of Edmonton. Whether this be through our Indigenous Youth Artistry Spotlight event or our STEM workshops, youth councillors strive to make meaningful and tangible impacts in a variety of sectors of the city. Our networking expands beyond simply CEYC members, we continue to build reconciliation efforts through our collaboration with the Enoch Cree Youth Council and carry out school visits to further expand our council's demographic. The success of these initiatives not only gives back to our local community but provides the youth of Edmonton a place to connect, bond, and be inspired by like-minded individuals.

Each year, we strive to accomplish our mission, to educate and empower youth to provide meaningful youth input and take action on local issues and municipal politics. The CEYC has been representing the views of youth aged 13-23 since 1995 and we are more than eager to witness the impactful work CEYC will continue to achieve in the future!
