### Position of Administration

### Report

Bylaw 17598 proposes to rezone land from (RF1) Single Detached Residential Zone, (RF4) Semi-detached Residential Zone, (RA7) Low Rise Apartment Zone and (US) Urban Services Zone to (AP) Public Parks Zone. The proposed AP Zone provides the opportunity for active and passive recreational uses. All land subject to rezoning is already open space that functions as park space and this would align the zoning with this desired land use and objectives of the Area Redevelopment Plan.

This proposed rezoning is accompanied by an associated proposed road closure (Bylaw 17596) and proposed amendment to the Central McDougall/Queen Mary Park Area Redevelopment Plan (Bylaw 17597).

Comments from other civic departments and utility agencies have been addressed.
