

101 Street NW BRT Project

Edward Koehler
101 St NW Resident

Proposed route down 101 Street from Downtown to 118th Avenue NW

101 Street NW BRT Project – Impacts

- No left turns off and onto 101 Street
- No parking along 101 Street between 111th and 118th Avenue
- Mail and Delivery Access
- Major corridor for Ambulances
- Noise and Vibrations

No left turns off and onto 101 Street

No parking along 101 Street and Delivery Access Affected

Ambulance Corridor

Noise and Vibrations - Bus Lane Location from my front window

101 Street NW BRT Project – Impacts

There will be more engagement on the design...

When the BRT plan is approved will the use of 97 St still be a consideration or is the decision to use 101 St a done deal?

Proper engagement with affected residents is needed.
