## **BYLAW 24108 - AMENDMENTS TO BYLAW 6288 - PILOT SOUND AREA STRUCTURE PLAN**

### **Policy, Plan and Guideline Review**

The District Planning project reviewed all plans in effect and other planning tools in the Northeast District to determine their relevance in guiding future development decisions. Plans deemed to be complete are proposed to be repealed, and ASPs containing NSPs that are proposed for repeal must be amended to adjust the ASP boundary.

Refer to the October 2, 2024, Urban Planning and Economy report UPE01245rev Charter Bylaw 24000 - District Policy for a more detailed description of the process used to determine which plans were to be repealed and amended.

### **Reason for Amendment**

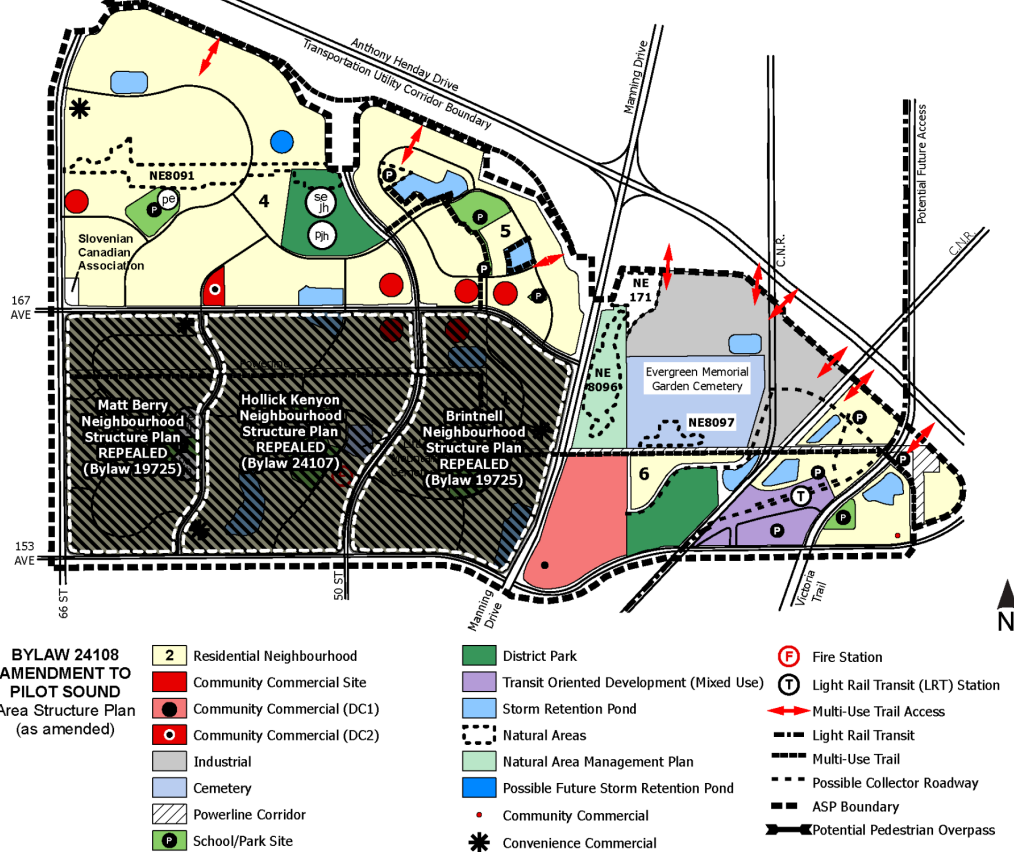

The Pilot Sound ASP contains one NSP that is proposed for repeal under Bylaw 24107 - A Bylaw to repeal plans in the Northeast District. In order to accommodate this repeal, the Pilot Sound ASP must be amended.

### **Proposed Changes**

- Add a paragraph near the beginning of the ASP stating that the Hollick Kenyon NSP has been repealed, and that that area of the ASP is no longer in force or effect.
- Remove all land use and population statistics from the ASP and add a paragraph referring readers to the remaining NSPs for the relevant land use and population statistics.
- Replace "Figure 7.0 Development Concept" in the ASP with the following map:
