### **Policy, Plan and Guideline Review**

The District Planning project reviewed all plans in effect and other planning tools in the Central District to determine their relevance in guiding future development decisions.

Refer to the October 2, 2024, Urban Planning and Economy report UPE01245rev Charter Bylaw 24000 - District Policy for a more detailed description of the process used to determine which plans were to be repealed and amended.

### **Reason for Repeals**

The planning documents listed in this bylaw are proposed to be repealed to facilitate the adoption of the Central District Plan. In general, these plans do not advance the direction of The City Plan. Refer to the October 2, 2024, Urban Planning and Economy report UPE02185rev Charter Bylaw 24002 - Central District Plan for the rationale for repealing each plan listed below:

- 104 Avenue Corridor Area Redevelopment Plan
- Boyle Street/McCauley Area Redevelopment Plan
- Oliver Area Redevelopment Plan
- Riverdale Area Redevelopment Plan
- West Ingle Area Redevelopment Plan
- Rossdale Low-Density Infill Housing Residential Design Guidelines
- Urban Design Strategy for Rossdale
- West Rossdale Urban Design Plan

Maps of all plans proposed for repeal and amendment as part of the District Planning project are provided as Attachments 2 and 3 to the October 2, 2024, Urban Planning and Economy report UPE01245rev Charter Bylaw 24000 - District Policy.

### **Community Insights**

Administration did significant public engagement, including for the repeal of plans, as part of the District Planning project in 2022 and 2023. In the Central District, members of the public shared comments in support of the proposed repeals of the 104 Avenue Corridor ARP, West Ingle ARP and Oliver ARP as these plans have served their purpose and remaining relevant policies have been incorporated into the district plan. Some members of the Oliver Community League also expressed concern about the loss of detail from the Oliver ARP. Members of the public did not share any feedback about the other plans proposed for repeal in the Central District.

For an overview of engagement for the entire District Planning project, Refer to the “Engagement and Communications Summary” (Attachment 4, October 2, 2024, Urban Planning and Economy report UPE01245rev Charter Bylaw 24000 - District Policy).
