Report

Bylaw 20961 proposes to close a portion of Heritage Valley Trail SW road right-of-way located south of 28 Avenue SW (shown as Area A in Attachment 2) for the purpose of realigning the road right-of-way with a subdivision application and detailed engineering drawings. If approved, the closure area will be consolidated with the westerly abutting lands for commercial development. Administration is reviewing the related subdivision (LDA22-0444) to create a commercial lot on the westerly abutting lands and Area A.

This proposal conforms to the Chappelle Neighbourhood Area Structure Plan, which designates the closure area for commercial development as shown in Attachment 3.

Public engagement for this application included mailed notices to surrounding property owners and information on the City's webpage. No responses were received.

All requirements from civic departments and utility agencies have been met, and a sales agreement has been executed with the purchaser.
