## MEMORANDUM

**To:** City Council for The City of Edmonton

**From:** Jamie Pytel, Integrity Commissioner for The City of Edmonton

**Date:** September 16, 2024

**Re:** **Office of the Integrity Commissioner (ICO) Annual Report for 2023**

I am pleased to attach the ICO Annual Report for 2023.

Normally, this report would have been issued in the first quarter of the year. I delayed in issuing the report pending the anticipated conclusion of a complaint that was submitted in 2023 and continued into 2024 (referred to as file 2313 in the attached Annual Report). As that matter was not concluded and is delayed pending the outcome of a Judicial Review application, I am now attaching our Annual Report for 2023.

Mr. Rathgeber and I look forward to answering questions and receiving Council's feedback with respect to the attached report.

**Respectfully submitted.**
