OUR DEMANDS

1

THE CITY OF EDMONTON MUST DEVELOP AND IMPLEMENT A MAXIMUM TEMPERATURE BYLAW FOR RENTAL HOUSING BY THE SUMMER OF 2025

- a) The bylaw must be enforceable and hold landlords accountable for implementation
- b) The bylaw must apply to all rental housing all densities; market and social housing
- c) The bylaw and all retrofit funding initiatives must include clauses to protect tenants from retrofit-related rent increases and evictions.

2

THE CITY OF EDMONTON MUST INVEST TO EXPAND PUBLIC COOLING SPACES IN EVERY NEIGHBOURHOOD, PRIORITIZING HEAT ISLANDS

- a) Make all public spaces free to access during extreme heat and smoke
- b) Streamline and clarify Edmonton's extreme heat communications

3

THE CITY OF EDMONTON MUST LAUNCH A PUBLIC INQUIRY ON THE IMPACTS OF HEAT AND SMOKE ON HEALTH, ILLNESS, AND DEATH

- a) With the results, develop a strategy for zero deaths caused by extreme weather including cold, heat, and smoke

4

THE CITY OF EDMONTON MUST SUPPORT A UNIVERSAL HEAT PUMP PROGRAM
