REPORT

Policy, Plan and Guideline Review

The District Planning project reviewed all plans in effect and other planning tools in the West Heday District to determine their relevance in guiding future development decisions. Plans deemed to be complete are proposed to be repealed, and ASPs containing NSPs that are proposed for repeal must be amended to adjust the ASP boundary.

Refer to the May 28, 2024, Urban Planning and Economy report UPE01245 Charter Bylaw 24000 - District Policy for a more detailed description of the process used to determine which plans were to be repealed and amended.

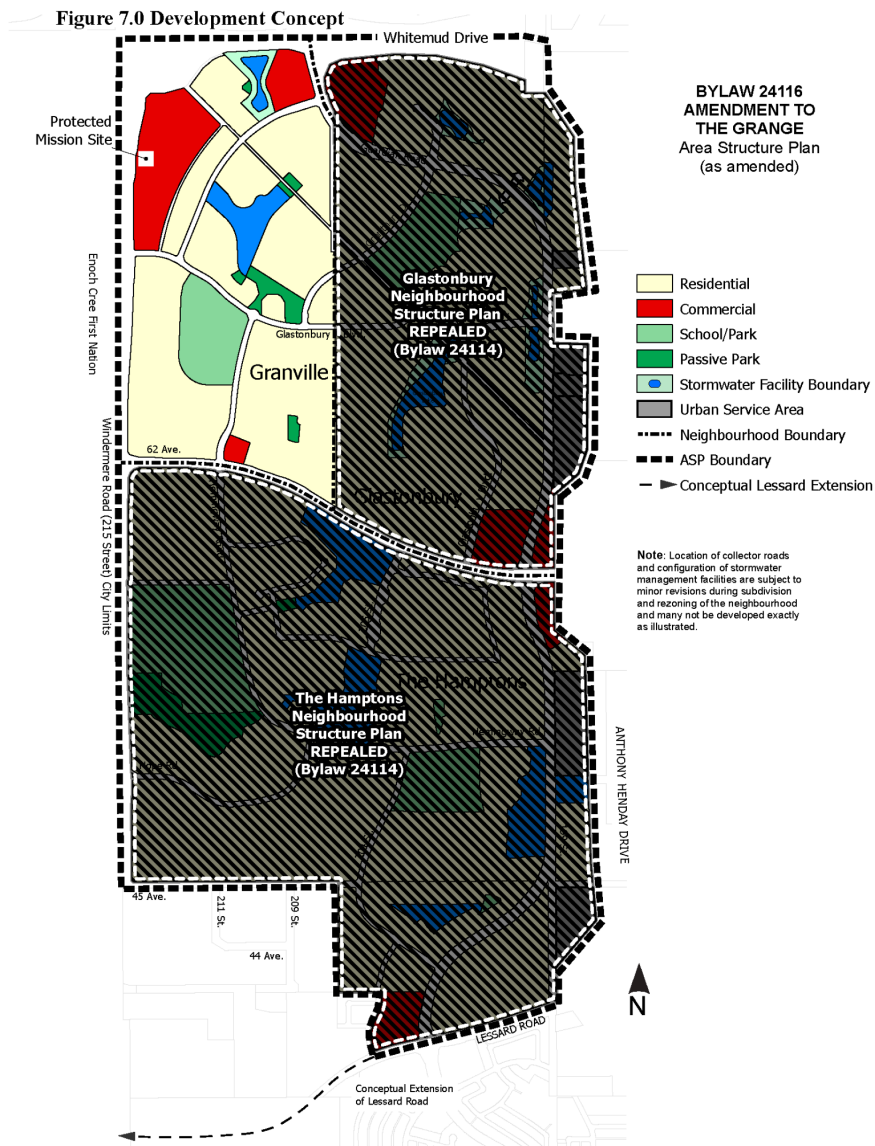

BYLAW 24116 - AMENDMENTS TO BYLAW 11749 - THE GRANGE AREA STRUCTURE PLAN

Reason for Amendment

The Grange ASP contains two NSPs that are proposed for repeal under Bylaw 24114 - A Bylaw to repeal plans in the West Henday District. In order to accommodate these repeals, The Grange ASP must be amended.

Proposed Changes

- Add a paragraph near the beginning of the ASP stating that the Glastonbury NSP and The Hamptons NSP have been repealed, and that those areas of the ASP are no longer in force or effect.
- Remove all land use and population statistics from the ASP and add a paragraph referring readers to the remaining NSPs for the relevant land use and population statistics.
- Replace “Figure 7.0 Development Concept” in the ASP with the following map:
