Urban Planning and Economy

North Saskatchewan River Valley Area Redevelopment Plan Bylaw 20996

December 9, 2024 Public Hearing

Kent Snyder
Branch Manager
Planning and Environment Services

River Valley Planning Context

- Growing population
- Evolving outdoor recreation needs
- Demand for events, commercial opportunities, facilities, and urban services
- Pressure on wildlife and ecosystems
- Evolving planning considerations and processes

The City Plan

“Maintain the North Saskatchewan River Valley and Ravine System’s key role as an environmental protection area and for open space, cultural and recreational uses.”

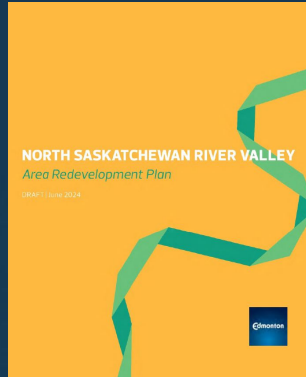

Breathe: Green Network Strategy

“The River Valley and Ravine System form the core of the green network, and provide important habitat for plants and animals, regional connectivity throughout the City and beyond, as well as cherished open spaces.”

RENEWED RIVER VALLEY PLANNING FRAMEWORK

RIVER VALLEY ARP RIBBON OF GREEN

Statutory land use
concept and
policies

Long-term
guidance for
protection,
access, and use

Renew and clarify
planning processes and
priorities

Recommit to
environmental
protection

Renew approach to
environmental
stewardship

Address gaps in
programming and
access

OUR VISION FOR THE NORTH SASKATCHEWAN RIVER VALLEY

The North Saskatchewan River Valley and Ravine System is a protected, connected, ecologically resilient landscape that honours our collective history and promotes healthy living through diverse opportunities for recreation, active transportation, learning, and gathering in the tranquility of nature.

ENGAGEMENT AND COMMUNICATION

PUBLIC ENGAGEMENT

533 WORKSHOP PARTICIPANTS

463 POP-UP ENGAGEMENT CONVERSATIONS

9705 SURVEY RESPONDENTS

443 INTERACTIVE MAP COMMENTS

INDIGENOUS ENGAGEMENT

39 MEETINGS WITH **22** INDIGENOUS NATIONS AND ORGANIZATIONS

2 GROUP WORKSHOPS + SITE VISITS WITH INDIGENOUS NATIONS

River Valley ARP Renewal

- Updates the North Saskatchewan River Valley Area Redevelopment Plan, Bylaw 7188 (February 1985)
- Sets overall land use pattern for the River Valley and Ravine System
- Limits development for purposes other than open space
- Identifies high-level decision making framework for development proposals

Plan Objectives

- Ensure the environmental protection of the River Valley and Ravine System
- Provide public access for celebration and wellness

Plan Direction

- Provides direction to City Administration and City Council when evaluating development proposals
- Existing uses and development rights acknowledged
- New uses, other than those compatible with open space use, are discouraged or not supported outside of Rossdale and Cloverdale

River Valley Open Space

Lands that are part of the public open space network are designated as **River Valley Open Space** and planned in accordance with the Ribbon of Green Strategic Plan

Ribbon of Green Strategic Plan

RIVER VALLEY VISION + PRINCIPLES

LAND MANAGEMENT CLASSIFICATIONS

ECOLOGICAL GUIDANCE

PROGRAM GUIDANCE

SYSTEM-WIDE POLICY

Decision-Making Framework: Technical Reporting Requirements

- Development on River Valley Open Space or Public Utility lands
