SITE SELECTION & CONDITIONS

Legend

-  Subject Site
-  Anthony Henday Drive
-  Road Alignment
-  Utility Corridor

SURROUNDING CONTEXT

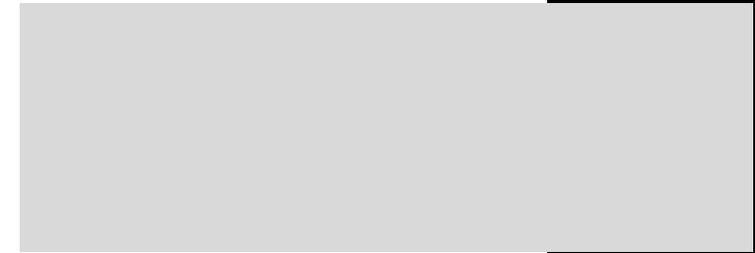

E1NS

SUMMARY

- The sales agreement between the City of Edmonton and the AMA is contingent on the site being rezoned to UF
- The intent is to develop a private high school and other community uses on site to create an accessible community hub
- The site is located near the Henday making it accessible to students throughout the region
- The proposed high school and uses within the UF zone are compatible with the surrounding area
