95 Avenue Renewal

January 24, 2025

95 Avenue Renewal Project Overview

95 Avenue (163 Street to 182 Street) is scheduled for renewal in 2025.

Scope:

- Reconstruction of roadway, sidewalks, curbs and lighting.
- Service road on south side of 95 Avenue (165 Street to 170 Street), will be removed and replaced with a shared pathway. On-street parking will be provided.

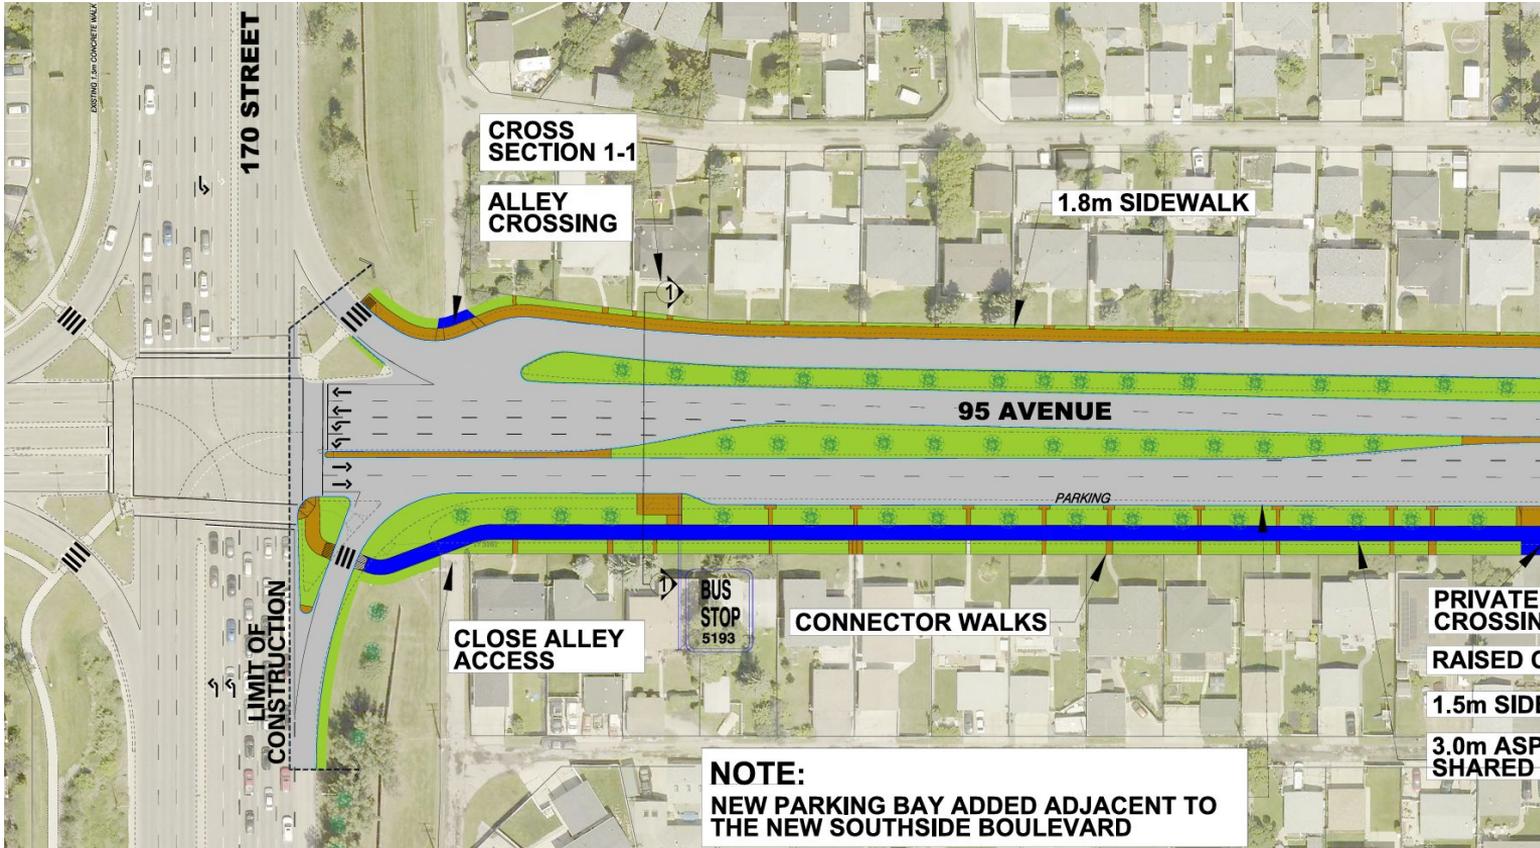

Schedule:

- Construction is scheduled to commence in spring 2025.

Engagement:

- The design was informed by extensive public engagement and City Policy.

Final Design

Proposed Alley Closure

Engagement Considerations

- From the outset of the project, residents have shared feedback.
- Resident feedback and input from other key stakeholder groups has informed the final design and has shaped the engagement process.
- The final design balances public input, technical and policy factors in support of a street that meets current and future needs for residents and the City more broadly.
- The closure of the alley is shown in the final design.
- Access and parking for residents will be provided while providing a safe, direct connection for active transportation users.
