

BYLAW 21112

To Designate the Gilpin Residence as a Municipal Historic Resource

Recommendation

That Executive Committee recommend to City Council:

That Bylaw 21112 be given the appropriate readings.

Purpose

To designate the Gilpin Residence as a Municipal Historic Resource pursuant to the provisions of the *Historical Resources Act*, RSA 2000, c H-9.

Readings

Bylaw 21112 is ready for three readings.

A majority vote of City Council on all three readings is required for passage.

If Council wishes to give three readings during a single meeting, then prior to moving to third reading, Council must unanimously agree “That Bylaw 21112 be considered for third reading.”

REPORT

Upon passage of Bylaw 21112, the Gilpin Residence will be designated a Municipal Historic Resource and the Rehabilitation Incentive and Maintenance Agreement (Schedule “B” of Attachment 1) will be approved and come into effect. The City will pay the owners up to \$59,466 to assist in the costs of rehabilitation to the historic elements of the structure.

The Gilpin Residence is listed on the Inventory of Historic Resources in Edmonton and merits designation under City Policy C450B - Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton. The house was built in 1913 and is a good example of early residential development in the Groat Estates area of the Westmount neighbourhood.

The owner has completed the application requirements to have the Gilpin Residence designated as a Municipal Historic Resource under the provisions of City Policy C450B. The regulated portions of the structure, as outlined in Schedule “A” of Attachment 1, will be preserved and maintained. Any future renovation of the Gilpin Residence will be required to meet the *Standards*

and Guidelines for the Conservation of Historic Places in Canada. A memorandum regarding the Notice of Intention to Designate the Gilpin Residence as a Municipal Historic Resource was sent to City Council on February 11, 2025, and the formal notice letter was mailed to the owners of the Gilpin Residence on February 25, 2025. The Notice of Intention is dated February 11, 2025 and is valid for 120 days (Attachment 2).

Community Insight

Through the creation of The City Plan, Edmontonians advised that it was critical to retain and steward historic resources even as the City is redeveloped and modernized, recognized as The City Plan value of “Preserve.” Administration has engaged with the owner of the property throughout the designation process. Additional engagement with the public for this process is not a requirement under the *Historical Resources Act*.

Budget/Financial Implications

Upon completion of the project phases, the Heritage Resources Reserve will pay the owner up to \$59,466 for rehabilitation of the historic elements of the structure. The current Reserve balance is sufficient to cover the committed funding, including the Gilpin Residence. The total estimated cost of the eligible heritage restoration work for the project is \$118,932.

Beyond the \$59,466 grant from the Heritage Resources Reserve, the owner is responsible for all costs of the restoration work for the project.

Administration is considering a number of potential heritage designations and projects for use of Reserve funds, which will be brought forward for Council approval as required. Based on the current commitments, including the Gilpin Residence, the Reserve balance is anticipated to be \$4.6 million at the end of 2025. The Reserve is funded by the tax levy on an annual basis (\$2 million in 2025 including \$465,131 specifically for the Edmonton Brewing and Malting Company Ltd. building , and \$175,000 for the Heritage Place Strategy).

Legal Implications

In consideration of the incentive payable for the rehabilitation of the Historic Resource (as described in Schedule “B” of Attachment 1), the owners have waived any right to compensation under the *Historical Resources Act*.
