

# **Preparing for 2027-2030 Budget**

**Executive Committee** 

(Foundation)

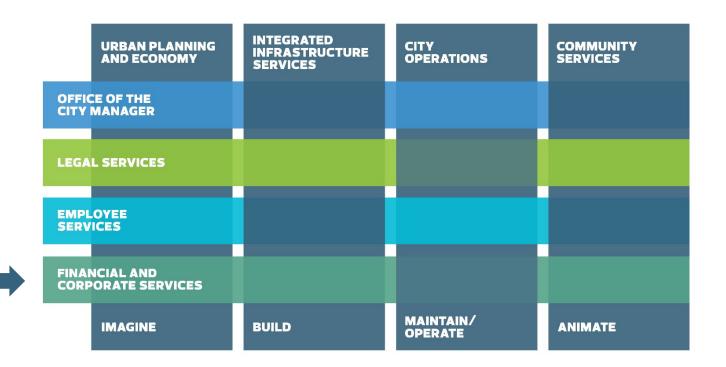

**Branch Presentations** 

(Phase 1)

Results Based Budgeting

(Phase 2)

## **Functional Structure**

### **Branch Overview**

**Compliance, Oversight and Reporting:** Ensure compliance with trade agreements, legal requirements, segregation of duties, and internal policies, generate performance monitoring reports, assess performance against benchmarks and policies.

#### **Procurement**

- Govern and oversee City procurement
- Ensure open, fair, and transparent process
- Provide procurement advisory services for organization
- Manage competitive and non-competitive processes (market sounding, RFPs/tenders, negotiation, awards)
- Oversee the Sustainable Procurement policy

### **Contract Management**

- Manage corporate contracts
- Govern related policies and processes
- Provide contract support, advice, training, and guidance
- Facilitate supplier enablement including performance management
- Provide SAP Ariba support and training
- Manage SAP ECC supply chain tickets

### **Supply Chain Management**

- Provide warehousing, inventory management, category management, operational purchasing and logistics services.
- Support critical fleet operations including those in emergency services, Edmonton Transit Service and LRT, Waste Services, and Parks and Roads Services.
- Ensure Business Areas have access to the right parts, products and goods, at the right time, cost, and quantity.
- Manage the WHMIS safety program, asset recovery and disposal, customs and mail services for the City.

# 350 contracts worth \$3.1 billion awarded

**113K** unique parts inventoried to service **7.4K** units and attachments

2,214 active contracts

\$6M+ in Asset Recovery sales

**\$1.10M** Warehouse Goods Received & **\$1.07M** Warehouse Goods Issued

41,533

Purchase Orders created by Supply Chain Management

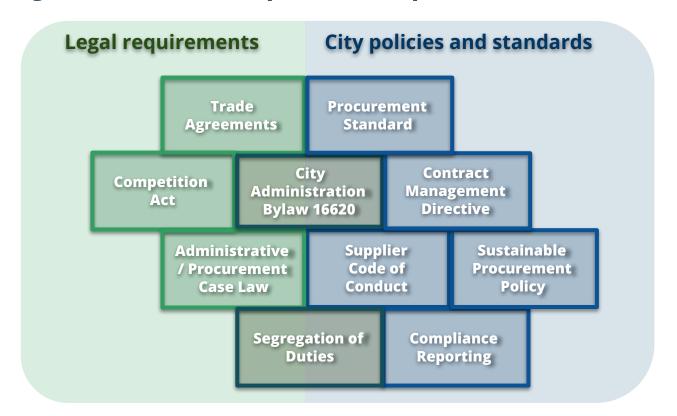

92% of competitive procurements included sustainable criteria

5,312

tickets for supplier training, support, SAP ECC MM, & Ariba support

CORPORATE PROCUREMENT AND SUPPLY SERVICES
2024 DATA

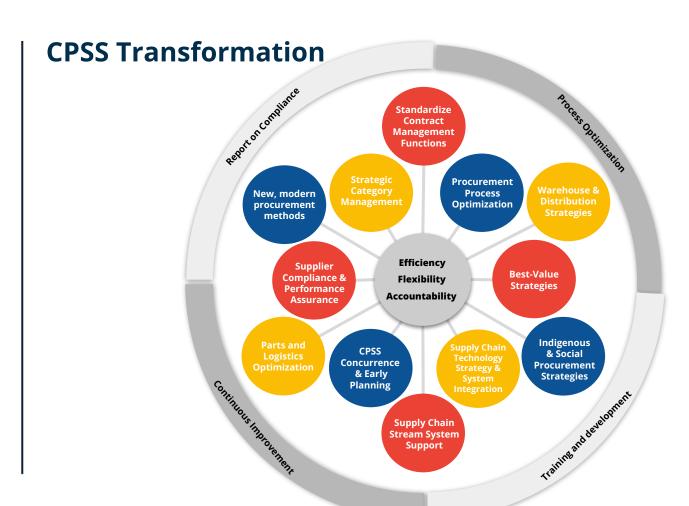

# **Legislative and Compliance Requirements**

### **CPSS Audit Observations & Recommendations Themes**

- Procurement & Contract Management Processes
- Supplier Compliance
- Value for Money
- Best Practices
- Risk Management
- Fraud Prevention
- Internal Controls
- Segregation of Duties
- Transparent, Fair & Open Procurement

### **CPSS Transformation Work**

### Completed

# Procurement

- Unsolicited proposal process
- Non-competitive CPSS concurrence process
- Procurement planning & early engagement
- Standing Arrangements review & improvements (Ph 1)
- Selling to the City updates
- Low-value threshold change from \$25-75K

### **In progress**

- End-to-end procurement review
- Non-competitive procurement process improvements
- APC posting consistency
- Low-Value Purchase Guideline improvements
- Sustainable Procurement Menu enhancements
- Indigenous Set Asides Approach implementation
- Standing Arrangements review & improvements (Ph 2)
- Continued Selling to the City updates

# Contract Management

### Contract management centralization

- Ariba Supplier enablement
- Phase 1 organizational design and changes
- Discovery of process improvements
- Best Financial Strategy
- Reporting and Analytics framework
- EC Project Support
- SPM Framework update

# • Supplier Performance Management program augmentation

- Contract management standardization
- Contract Management Standard
- Reporting and compliance enhancements
- EPS/EPL SAP Ariba Rollout
- Living wage compliance
- Negotiation strategy enhancements

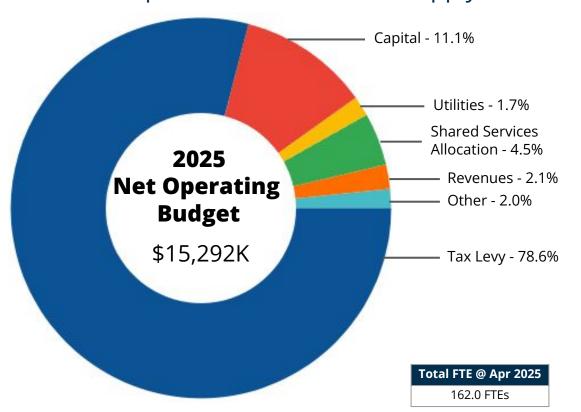

# upply Chain Janagement

- Transformation program initiation, framework and goals
- Non-stock parts process improvement
- Rush order identification process plan
- Supplier Performance reporting
- Value stream data collection
- Contract Segmentation Tool development
- Parts Backlog Dashboard development

- Rush order identification process implementation
- Warehousing and Distribution Model, Warehouse Technology, and Service Optimization scope of work
- Category Management Framework
- Contract Segmentation Tool implementation
- Parts Backlog Dashboard implementation
- Value stream data measurement and mapping
- Root cause analysis and projects identified

# **Funding Model Summary**

Corporate Procurement & Supply Services

### **2025 TOTAL BUDGET EXPENDITURES (000's)**

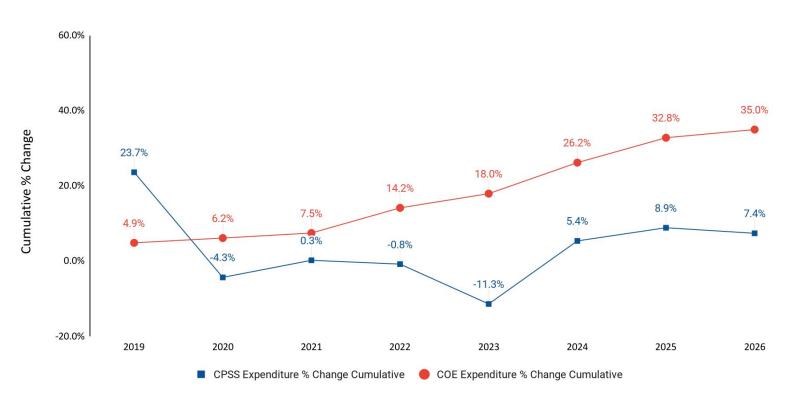

Recoveries	\$3,443
Revenues	\$715

Cost Drivers	Funding Model
<ul> <li>Procurement/Contract         requirements from business areas</li> <li>Labour/Freight and equipment costs</li> <li>Inventory management (including surplus disposal)</li> <li>Operational demand affecting Warehousing and logistics operations (City Ops).</li> <li>Service Level Commitments for more value-added services</li> </ul>	Mostly tax levy + recoveries from capital  Approved Net Operating Requirement 2025: \$15.3M

# **Budget Trend - Branch versus Corporate**

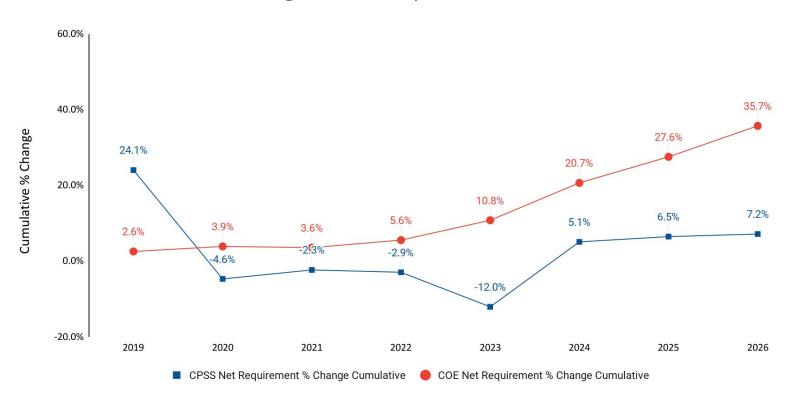

(Cumulative Change - Expenditures)

# **Budget Trend - Branch versus Corporate**

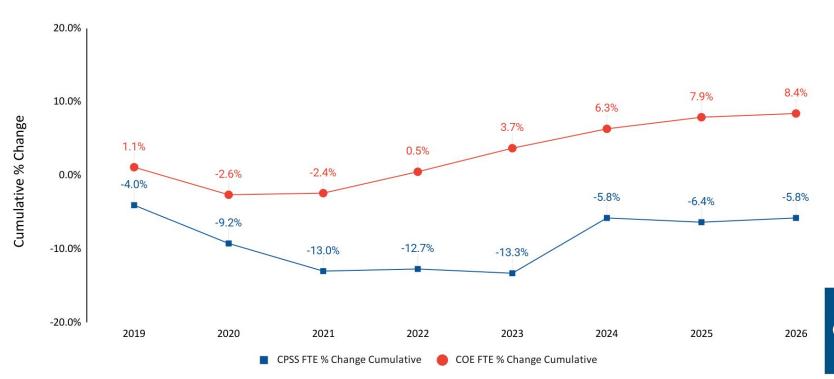

(Cumulative Change - Net Requirement)

# **Budget FTE Trend - Branch versus Corporate**

(Cumulative change)

### **CPSS Branch Structure Overview**

Total FTE: 162

Branch Manager (1), Director (3), Manager (7), Superintendent (1), Strat. Coordinator (1)

FTE: 13

### Union Supervisors, Leads and Forepersons

FTE: 14

# Procurement Example Roles

- Buyers
- Sustainable Procurement Leads

FTE 32 Supply Chain Management Example Roles

- Buyers
- Parts Technicians
- Warehouse Technicians
- Couriers
- Analysts
- Clerks

FTE 68 Contract Management & Business Sustainment Example Roles

- Buyers
- Analysts
- Clerks
- Contract Administrators

FTE 35

8.1% MGMT 91.9% UNIONIZED

CITY OF EDMONTON

10% MGMT 89.7% UNIONIZED

# **Enterprise Performance Measures:**

**Procurement** 

Competitive Procurements Sustainable Procurement

**Incorporation:** 

92%

Target: 90%

**Competitive Procurement Cycle time** 

**Risks** 

(by value)

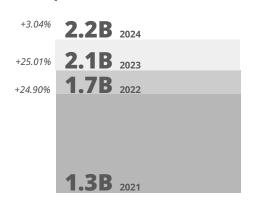

Failure to follow proper procurement procedures  $\cdot$  Navigating the tariff imposition

Benchmarking

The comparison and benchmarking data is being established.

# **Enterprise Performance Measures:**

**Corporate Contract Management** 

Total Annual Spend (invoiced)

Suppliers in the SPM program have a SPR of 80% or higher

SAP Ariba and ECC tickets closed in 5 days or less (total tickets)

**Risks** 

Inconsistent contract management practices · System integration gaps · Limited participation in SPM program · Addressing tariff impacts

Benchmarking

The comparison and benchmarking data is being established.

# **Enterprise Performance Measures:**

Service: Warehousing and Logistics

Deliveries On Time & In Full Rate

Managed Supply Chain Spend

Target: \$4000

Inventory Value per Maintained Asset

**Risks** 

Global Supply Chain shortages · Increased service demand due to aging fleet and growth · New technologies and specialized markets

Benchmarking

The comparison and benchmarking data is being established.

# **Integration with Capital and Carbon Budget**

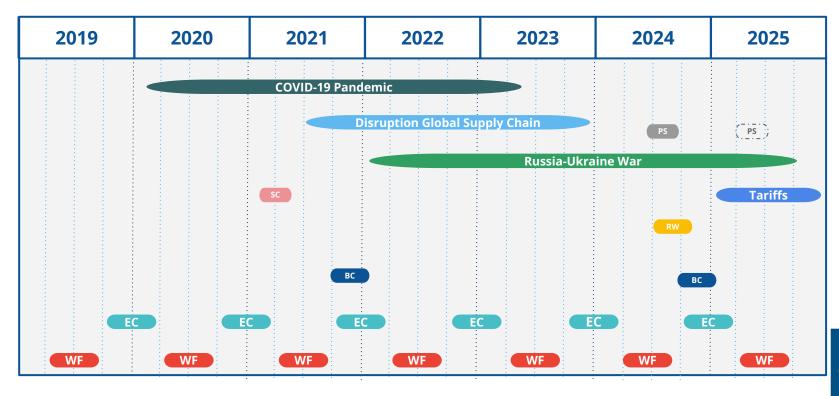

# Capital budget

- CPSS provides Procurement support and guidance for all capital projects
- The Procurement process ensures capital budget requirements are met

# Climate budget

- The City's Sustainable
   Procurement Policy C556C
   creates intentional positive
   environmental, social, and economic
   impacts through procurement
   activities.
- Implementation includes
   Environmental considerations such as Energy Efficiency and Emissions
   Management

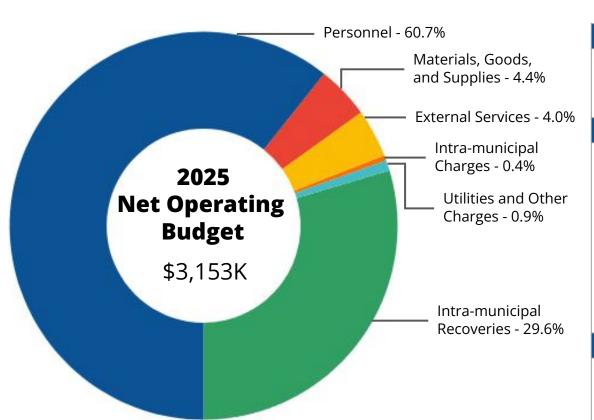

# **Major Global Events & Cost Drivers**

**Edmonton** 

WF - Wildfire season BC - British Columbia Floods SC - Suez Canal Port Blockage PS - Canada Post Strike RW - Railway Labour Disputes EC - Extreme Cold

### **Procurement Overview**

### **Key Activities**

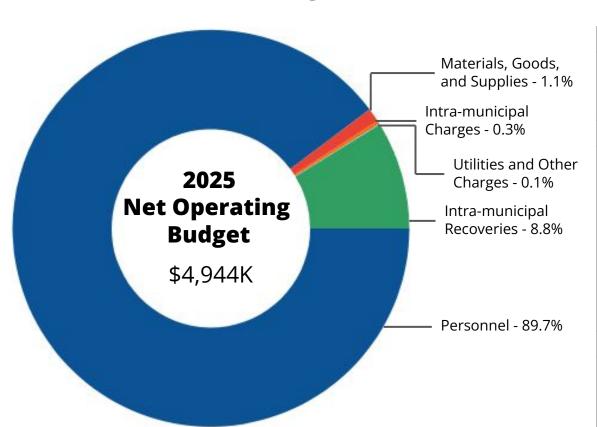

Contract sourcing, tender management, technical / price evaluations, contract / price negotiation, and contract awards

#### **Cost Drivers**

- Number of procurements and annual value
- Growth in capital projects
- Resources to support new initiatives such as modernizing procurement practices, developing additional procurement processes (g. Unsolicited Proposal Process)
- Sustainable Procurement policy implementation
- Supplier outreach (Purchase with Purpose Networking Event; Selling to the City Sessions; Meeting Suppliers and Industry/Business Associations)
- Compliance oversight and reporting / Council reporting
- Complexity of emerging demands and timeline related to advanced procurement methods

Funding Model	Total FTEs
Mostly tax levy + recoveries from capital	39.0 FTEs As of Apr 2025
Approved Net Operating Requirement 2025: \$3.2M	

### **Contract Management and Business Sustainment Overview**

### **Key Activities**

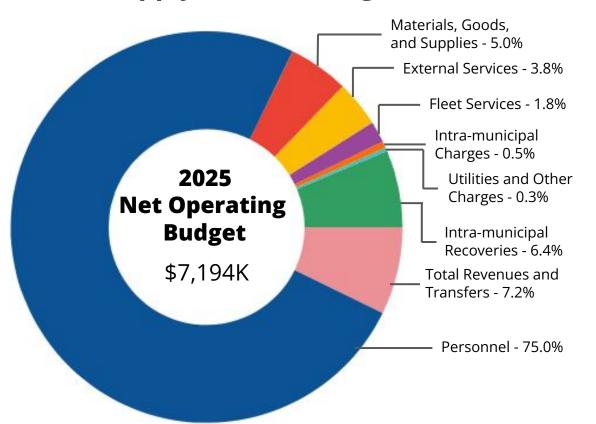

Governance and management of City contracting and contracts

#### **Cost Drivers**

- Number of active of contracts
- Volume of Negotiations, Amendments, Renewals, and Extensions
- Volume of new Suppliers requiring training/support
- Total annual contract spend (invoices paid)
- Volume of Ariba remedy tickets
- Responding to global events and supply chain implications
- Monitor and lead corporate contract management efforts in response to tariffs

Funding Model	Total FTEs
Mostly tax levy  Approved Net Operating Requirement 2025: \$4.9M	46.0 FTEs As of Apr 2025

# **Supply Chain Management Overview**

### **Key Activities**

Logistics for access to parts, products and goods

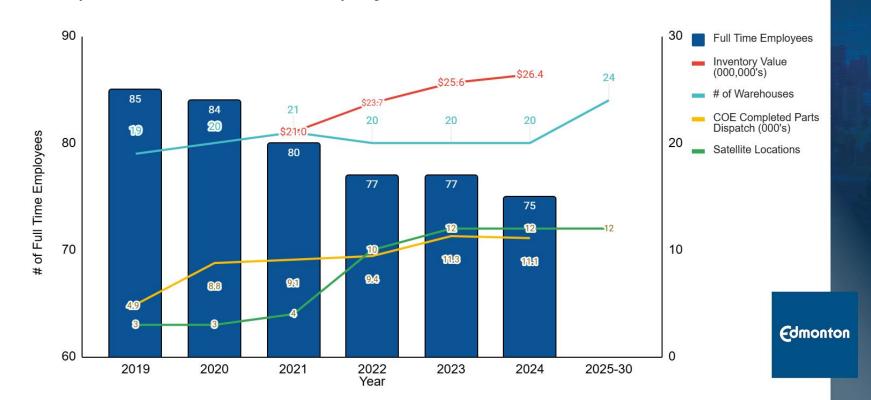

#### **Cost Drivers**

- Number of assets serviced
- Number of categories/items managed
- New/innovative technologies serviced
- Inventory value growth and management
- Supplier management of freight, inflation, and tariff costs
- Asset Age
- Facility Growth and locations supported
- Number of mail deliveries, customs imports and courier requests
- Labour and equipment costs
- Exchange Rate Fluctuations
- Limited/specialized markets
- Global Events: Pandemics, natural disasters, and geopolitical instability

Funding Model	Total FTEs
Mostly tax levy	77.0 FTEs As of Apr 2025
Approved Net Operating Requirement 2025: \$7.2M	

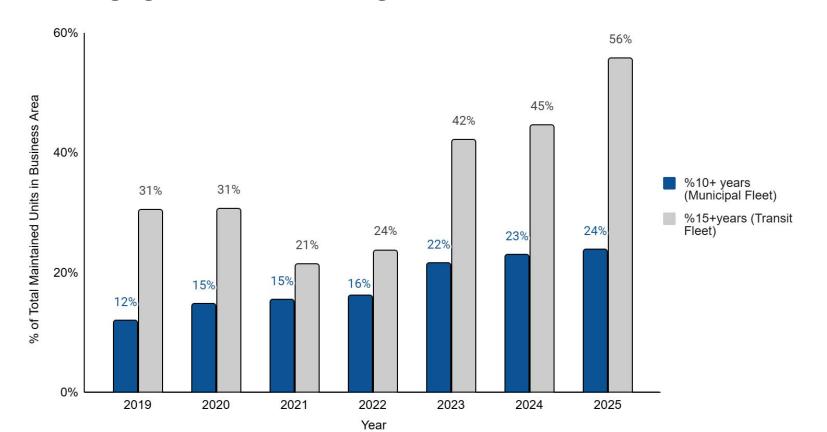

# **Supply Chain Management Cost Drivers**

Comparison to Full Time Employees

# **Supply Chain Management Cost Drivers**

Aging Units as a Percentage of Maintained Fleet

# **CPSS Budget Reductions (2019-2026)**

Time Period	Cost Reduced	Full-Time Equivalent	Description
2019-2022	\$1.4M	11.0	Workforce Strategies
2019-2022	\$0.4M	-	Corporate Printers Rationalization
2019-2022	\$0.1M	-	Courier Services
2021-2022	\$0.5M	5.0	Workforce Transition Program
2021-2022	\$0.2M	-	Digital Print Centre Closure
2024-2026	\$0.4M	3.0	Contract Management Centralization
2024-2026	\$0.2M	2.0	Workforce Strategies (OP12)
Total	\$3.2M
