CO03028 Approval to Stop Train Whistling at Railway Crossings

City Council - June 10, 2025

Caitlin Zerebeski, Branch Manager, Parks and Roads Services
Jenny Albers, Acting Director, Traffic Operations

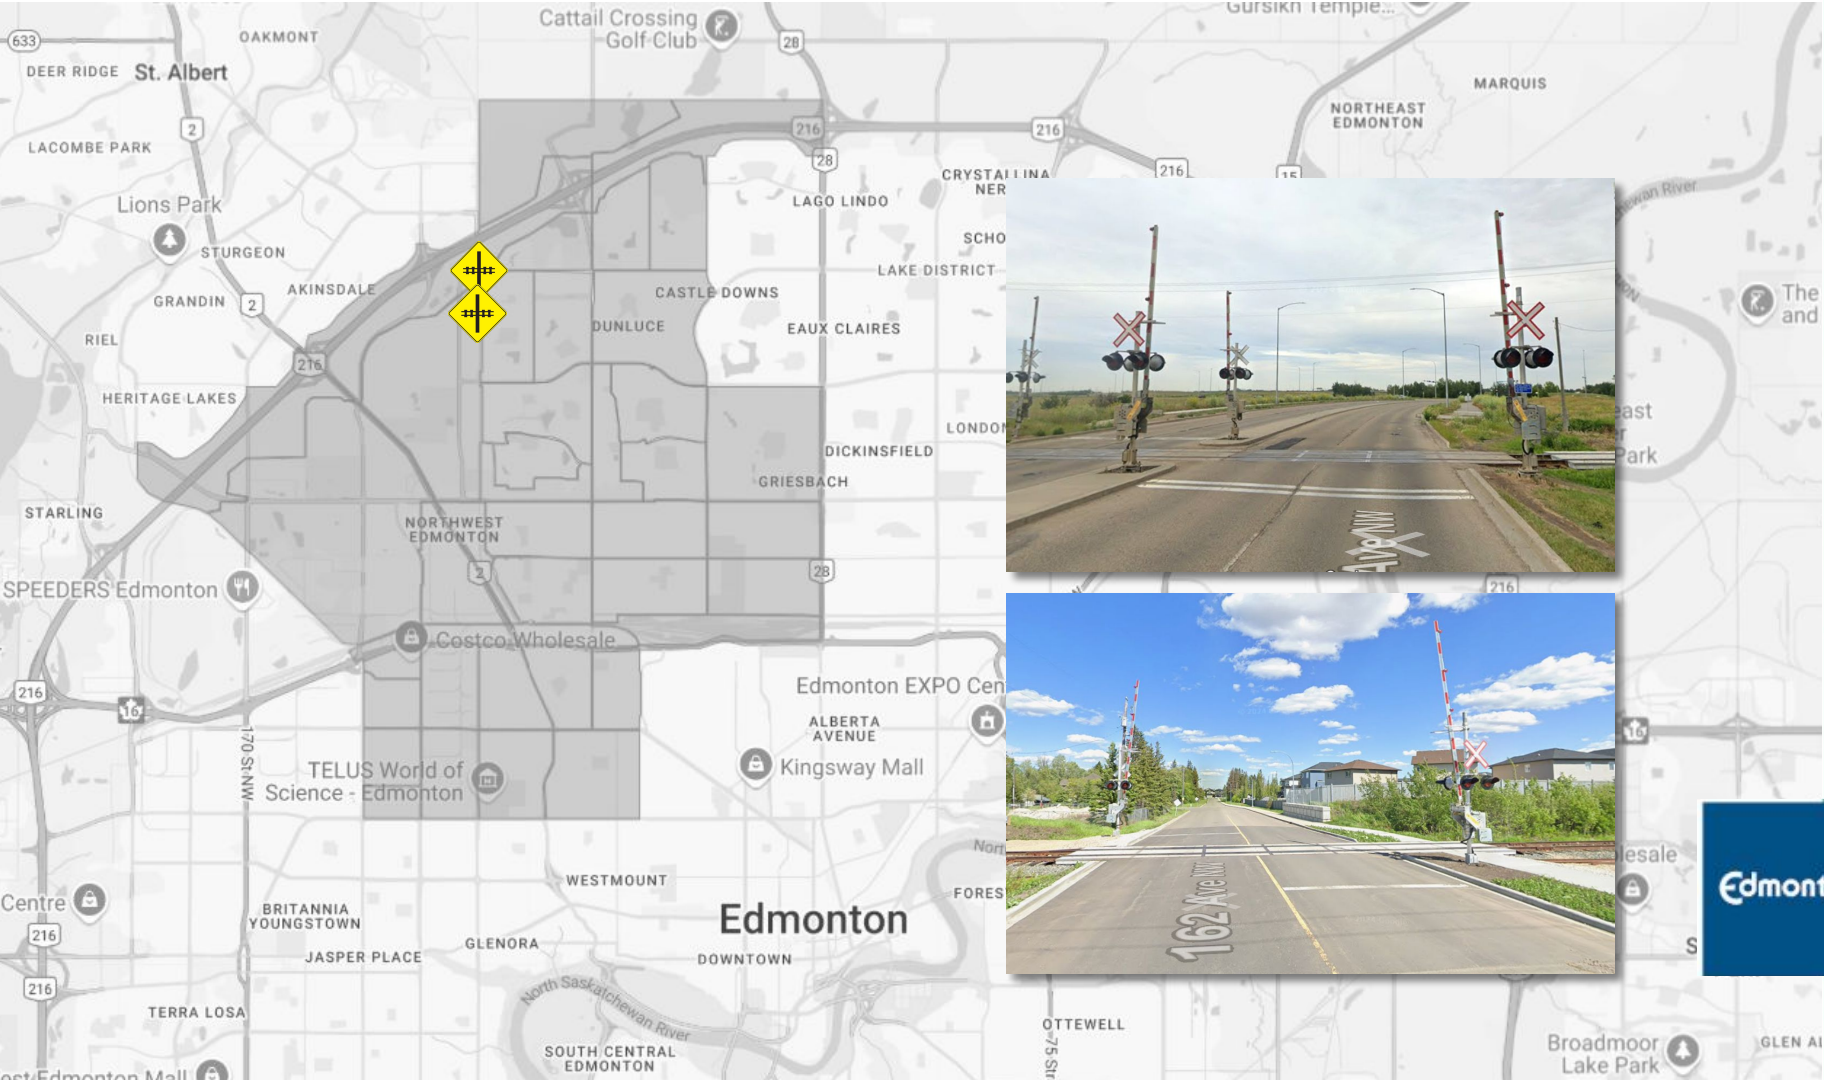

Resolution to Enact Whistle Cessation

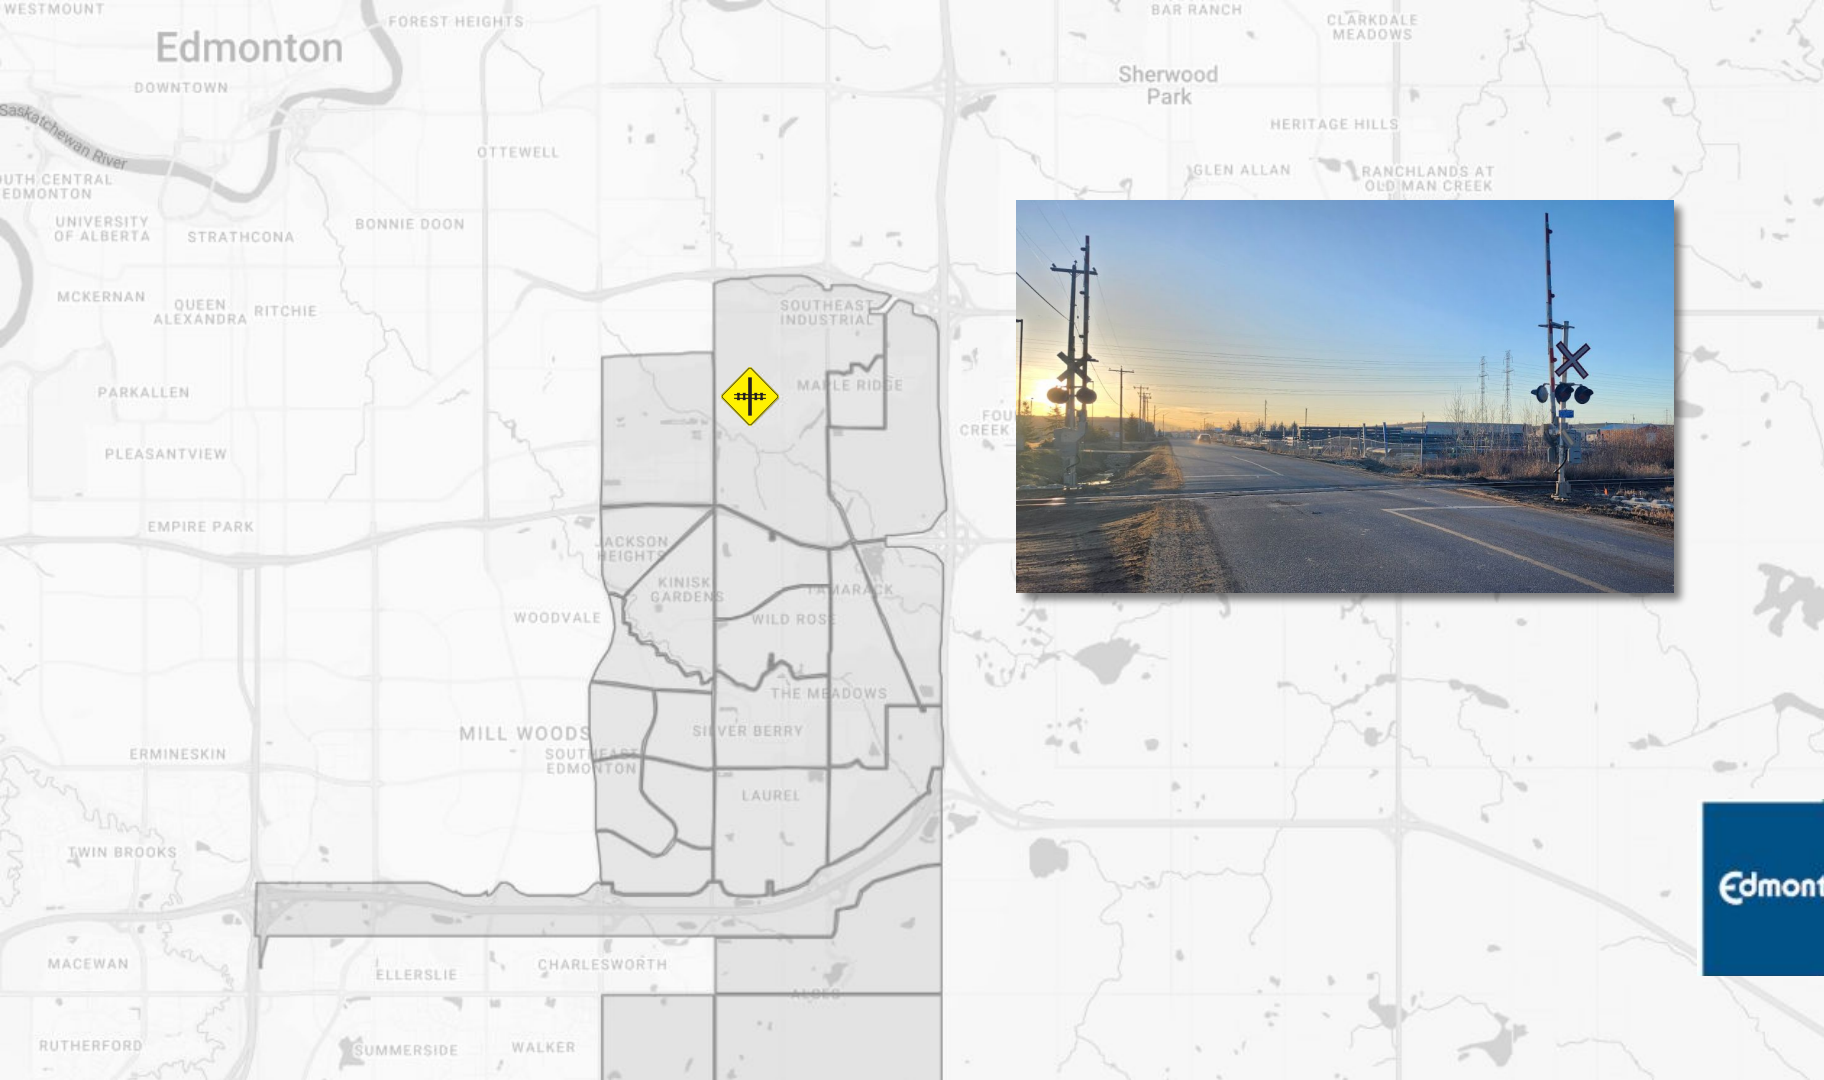

- Request for approval to pass a Resolution to enact whistle cessation at three railway crossing sites
- Required safety improvements have been implemented
- Transport Canada requires a municipality to pass a Resolution to stop train whistling

CN Locations for Whistle Cessation

- 167 Avenue East of 142 Street (Westlock, mile 3.26)
- 162 Avenue East of 142 Street (Westlock, mile 2.90)
- 64 Avenue East of 30 Street (Camrose, mile 5.08)

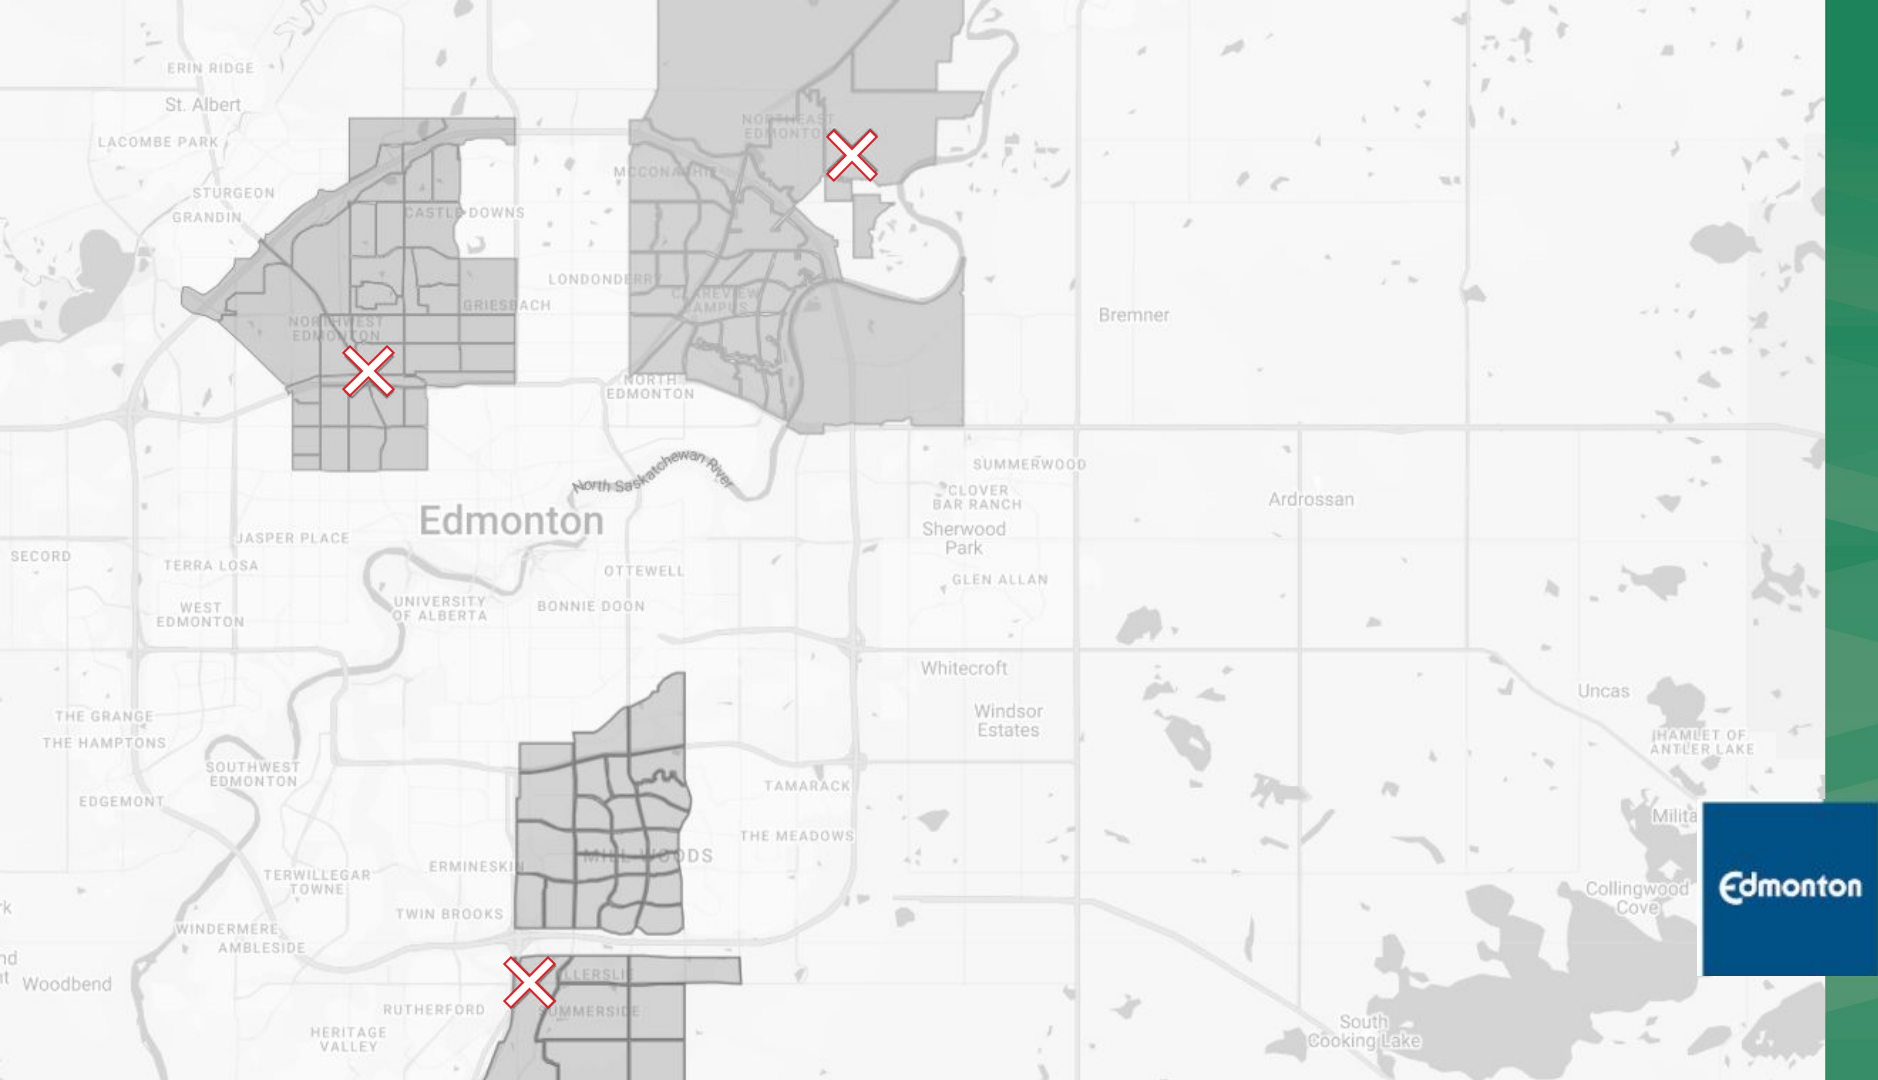

Future Whistle Cessation Sites

Locations Pending Rail Company Approval

- 101 Street South of Ellerslie Road (CPKC)
- Meridian Street North of 178 Avenue (CN)
- 128 Avenue West of 136 Street (CN)

Edmonton

Next Steps

- Once passed, CN Rail, Transport Canada and all relevant organizations will be notified by the City
- The rail company will:
 - Issue special instructions to stop train whistling at the crossings
 - Notify the City of whistle cessation within 30 days once whistling has stopped

Thank You. Questions?
