

EXECUTIVE COMMITTEE REPORT

Industrial Investment Action Plan 2025 Update

Recommendation of the Committee

That Administration develop the following for consideration during the 2027-2030 Budget Deliberations:

- A list of potential sites suitable for public or private investment to enhance the sites to a shovel-ready state; and
- An unfunded service package to develop an incentive plan for major industrial developments, to incentivize business investment or expansion that is strategically aligned with the priority sectors in the Industrial Investment Action Plan.

History

At the June 18, 2025, Executive Committee meeting, the June 18, 2025, Urban Planning and Economy report UPE02544 was considered.
