

8. Motions Pending

8.1 40th Avenue Bike Lane Removal (M. Walters)

Councillor M. Walters stated that at the next regular meeting of City Council, he will move the following:

1. That Administration remove and fill the on street bike lanes on 40th Avenue from 119 street to 106 street and on 106 street from Whitemud Drive to 34th avenue with funding from Capital Profile Arterial Road Program - Arterial Renewal Composite # 15-66-1020.
2. That Administration continue working with communities in the area surrounding 40th Avenue from 119 street to 106 street and on 106 street from Whitemud Drive to 34th avenue, to plan alternative infrastructure and routes with a report to return to the October 28, 2015, Transportation Committee meeting.
3. That Administration, prior to the 2019 Capital Budget, provide to Council through Transportation Committee, a proposed revised bicycle transportation implementation strategy to include plans for a high quality (segregated from traffic) network of cycle infrastructure and neighbourhood (local road) routes informed by the 2015-2018 Bike Lane Infrastructure Plan enhanced public engagement strategies approved by Council on June 5, 2015.
4. That Administration prepare Terms of Reference for Council's consideration to establish a new Council Initiative named "Active Transportation".

- Notice of Motion Given: June 23, 2015

8.2 Campaign Finance (A. Knack)

Councillor A. Knack stated that at the next regular meeting of City Council, he will move the following:

That the Mayor write a letter and/or advocate to the Minister of Municipal Affairs and Premier:

1. Requesting that the city be given the ability to independently establish campaign finance and disclosure rules in advance of the 2017 Municipal Election, either via the City Charter or other means.
2. Notwithstanding desiring the autonomy to set the other campaign finance and disclosure rules for Edmonton, calling for amendments to

the *Local Authorities Elections Act* to eliminate corporate and union donations for all local election candidates.

3. Requesting that should the legislature move to limit corporate and union contributions for all local elections, that the province level the playing field by introducing tax credit eligibility for local election donations.

- Notice of Motion Given: June 23, 2015
