To facilitate the proposed rezoning, an amendment to the North Central District Plan is required to redesignate the subject site from Urban Mix to Commercial/Industrial Employment.

### Commercial/Industrial Employment

- ✓ Support light industrial and commercial businesses with a higher standard of design along **Arterial Roadways**, at Mass Transit Stations, and within Non-Residential Intensification Areas.
- ✓ Discourage the creation of irregular or insufficiently-sized industrial sites, and support the consolidation of such sites where they exist to enable more efficient land use.
