

Progress is important - But Not this way

- Slow Down - Step Back from 4 Bylaws**
- Full/Complete/Comprehensive Planning Required**
- Establish clear impacts on city, infrastructure, environment and citizens**

Major Planning Study Required

- **Support Infrastructure - Long Term Planning**
- **Financial - Taxation**
 - **What will the mill rate become**
 - **Tax implication – 250 % in 5 years**

Major Planning Study Required

- **Schools**

Traffic

- **Environmental Impact - Riverbank and Ravine Stability**

- **Environmental Impact - Wildlife**

- **100 objections to ----- rezoning and multi unit housing**
- **100 objections to -----"Multi" - Multiplex Apartment Buildings swamping this part of Edmonton**

Some History

Prison farm

Coal mining in river valley and ravine

Cemetery

Traffic Safety??!!

Progress is important - But Not this way

- Slow Down - Step Back**
- Full Blown Comprehensive Planning Required**
- Establish clear impacts on city, infrastructure, environment and citizens**
