Urban Planning Committee

January 20, 2026

5.1 Midblock Redevelopment Amendments

Urban Planning and Economy - UPE03201

Original Due Date: First Quarter 2026

Revised Due Date: February 10, 2026

- Over the past year, Administration has received a number of motions generally on the subject of infill and the related policies and regulations of the Zoning Bylaw, district plans and District Policy. Some of these motions contain overlapping objectives and/or have implications for other motions. Scheduling this report earlier in the year will allow Administration to address some of the issues that can be handled within a shorter timeframe, while providing greater certainty for the remaining motions.

Recommendation:

That the revised due date of February 10, 2026, Urban Planning Committee, for the Urban Planning and Economy report UPE03201, Midblock Redevelopment Amendments, be approved.
