### Executive Summary

This report presents the Office of the City Auditor's 2026 - 2029 Strategic Plan.

### REPORT

The purpose of the Office of the City Auditor is to enhance the City of Edmonton's capacity to create, protect, and sustain value. We achieve this by providing Council and administration with independent, risk-based, and objective assurance, advice, insight, and foresight. Our mandate is to provide all internal auditing activities for every program and activity for all programs and activities carried out by the City, under the authority of the City Manager. Our mission is to enhance Edmontonians' trust through independent, value-added internal audit services. To fulfill the Office of the City Auditor's mandate and mission we have developed the Office of the City Auditor 2026–2029 Strategic Plan.

This plan is structured around four strategic directions:

1. Quality audit, advisory, and investigative services
2. Promote Office of the City Auditor value
3. Organizational effectiveness
4. Foster a high performance culture

Each direction is supported by specific strategies, performance measures, and targets that the Office of the City Auditor will pursue over the 2026–2029 period.
