

Waste Reduction Roadmaps

- Action plans to support waste reduction
- Aligned to the 25-year Waste Strategy

Preliminary Single-use Item Reduction Levels

Overall single-use item reduction/person: 7%

Reduction of single-use items/person covered by the Bylaw: 33%

Roadmap '30 - Development Process

→ Designed via three staged process:

Research - internal Ideation - Engagement - Refinement

→ Public engagement shaped Roadmap '30

- 4000+ engaged via survey
- 1000+ engaged in-person at four events
- 39 interest groups engaged in four sessions

Roadmap '30 - Reducing from Five Focus Areas

1. Make sharing and donating easier
2. Encourage residents and businesses to choose reusable foodware
3. Support public events to reduce waste
4. Waste less food at home
5. Reduce waste from City facilities and operations
