3	Urban Planning and Economy	UPE03062	112 Avenue and Wayne Gretzky Drive - Functionality Review	<p>At the May 7, 2025, City Council Public Hearing the following motion was passed:</p> <p>That Administration review the functionality of 112 Avenue NW east of Wayne Gretzky Drive as a designated arterial roadway and provide a report to Committee with recommendations, including design measures to mitigate speeding and other concerns, and the future functionality and designation of that roadway.</p> <p>Due Date: Second Quarter 2026, Urban Planning Committee</p>	That Administration review the functionality of 112 Avenue NW east of Wayne Gretzky Drive as a designated arterial roadway and provide a memo to Council including design measures to mitigate speeding and other concerns, and the future functionality and designation of that roadway.

Motions to Rescind

	Department	Report No.	Report Title	Motion	Justification
1	Financial and Corporate Services	FCS02825	External Agencies Shared Services	<p>At the December 2, 2024, City Council - Budget meeting, the following motion was passed:</p> <p>"That Administration provide a report outlining the opportunities, challenges and impacts to creating a shared service model, with a focus on Human Resources, Financial Services, Information Technology Services, Procurement, and Communications, for external agencies, including but not limited to:</p> <ul style="list-style-type: none"> - Explore Edmonton Corporation - Fort Edmonton Management Company - Edmonton Arts Council - Reach Edmonton Council for Safe Communities - Edmonton Unlimited - Edmonton Screen Industries" 	<p>Administration conducted an initial, high-level review to identify potential shared services that could be effectively implemented across various external agencies. This review found few viable opportunities for shared services that would yield significant cost savings or efficiency gains.</p>
2	Community Services	CS02575rev	Transition Strategy for Homeless Related Services - Additional Information	<p>At the March 31, 2025, Community and Public Services Committee meeting, the following motion was passed:</p> <p>That the March 31, 2025, Community Services report CS02575, be referred back to Administration to complete the following:</p> <ol style="list-style-type: none"> 1. Conduct further GBA+ analysis that details the impact of ending the City funding for all items listed in Attachment 2 of the March 31, 2025, Community Services report CS02575, except for affordable housing. 2. Integrate the findings from the regional housing needs assessment including the services available in municipalities surrounding 	<p>This report requested further information on the impacts of ending funding for various services supporting Edmonton's homeless community, outlined in Attachment 2 of CS02575.</p> <p>Continuing this report would contradict direction provided to Administration through motions made since March 31, 2025, including the November 3, 2025 motion (CS03259 Evaluation of Investment Options for Day Spaces), November 24, 2025 (CS03298 Options to Support Emergency Shelters) and other recent funding and/or successful initiatives such</p>

				Edmonton and their approach for supporting people experiencing homelessness, mental health and addictions in their municipalities 3. An itemized list of supports and services requested of the Province to meet Edmonton's needs in housing, people experiencing homelessness, and homelessness and mental health or addictions in Edmonton.	as permanent funding for enhanced transit cleaning and Community Safety and Well-being initiatives. Administration continues to work with the provincial government to find ways to work together to support Edmontonians.
3	Community Services	CS02975	Training Module for Peace Officers on Harm Reduction	At the February 25, 2025, City Council meeting, the following motion was passed: That Administration work with mutual aid organizations focused on harm reduction to identify existing or develop and deliver a module of training for Peace Officers interacting with individuals who are using drugs in public spaces, and return to Council with information on the funding required to resource this initiative.	Training and annual funding is already in place through the Community Safety and Well-being framework for additional training, as identified through Administration's internal reviews of curriculum.
4	Urban Planning and Economy	UPE03048	Conditions Contributing to Commercial Vacancies	At the April 8, 2025, City Council meeting, the following motion was passed: That Administration identify current conditions and needs of small businesses to help prevent vacancies and recommend potential programs to respond that contribute to the implementation of the City Plan, and report back to Committee.	The report responding to this motion was scheduled in advance of the 2025 Fall Supplemental Operating Budget Adjustment (SOBA) to inform an unfunded service package. However, it was rescheduled to Q1 2026; the motion is no longer relevant as funding decisions were made at the Fall SOBA. Urban Planning and Economy report UPE03255, Edmonton's Economic Development Strategy Refresh (scheduled for April 22, 2026) will include information and priorities related to this motion.
