

MOTIONS PENDING REPORT

10.1 Minor Sport Rental Subsidy Options (J. Wright)

Councillor J. Wright stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration provide a report to Committee regarding options to amend the Minor Sport rental subsidy for City-operated amenities (including arenas, gymnasiums, pools and sports fields), including:

1. Options to reduce the current subsidy level for the Minor Sport rate, including an analysis of adjusting the rate from the current 50% of the adult rate to a higher cost recovery level.
 2. An analysis on the viability and implications of requiring all minor sport organizations to mandate Community League memberships for their participants as a condition of receiving the subsidized Minor Sport rate.
 3. An assessment of the potential impacts on sport participation, registration costs for families, and the financial sustainability of Community Leagues.
- Notice of Motion Given: February 3, 2026, City Council Public Hearing
 - Laid Over: February 17/18, 2026, City Council to March 17/18, 2026, City Council

10.2 Review of Traffic Bylaw 5590: Enforcement Trends, Penalty Efficacy and Deterrence Strategies (A. Salvador)

Councillor A. Salvador stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration provide a report on the efficacy of Traffic Bylaw 5590 enforcement and penalty structures, including but not limited to:

- enforcement information from 2015 to 2025, including annual ticket volumes, most frequent offences, and key drivers of change in enforcement trends;
 - a review of fine adjustments under Bylaw 5590, including when each fine amount was established or last adjusted, how their real value has changed over time, and any implications for deterrence;
 - options to maintain the intended effectiveness of fines over time, including indexation using Consumer Price Inflation and/or other appropriate indicators; and
 - recommendations for policy, bylaw, and/or fine schedule amendments to support deterrence and long-term efficacy.
- Notice of Motion Given: February 20, 2026, City Council - Non-Regular

10.3 Options for Enhanced Snow and Ice Control (SNIC) Service Delivery (J. Morgan)

Councillor J. Morgan stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration, as part of the upcoming review of Council Policy C409K - Snow and Ice Control Policy, include options, risk analysis, operationalization timelines and resource implications for different or innovative operational tactics, including but not limited to calcium chloride (CaCl) application to roadways, to improve Snow and Ice Control Service delivery.

- Notice of Motion Given: February 20, 2026, City Council - Non-Regular

10.4 Snow and Ice Control Surge Capacity Strategy (A. Paquette)

Councillor A. Paquette stated that at the next regular meeting of City Council, the following motion would be moved:

That Administration provide a report, based on public feedback and industry best practices, outlining options, costs and implications for a Snow and Ice Control Surge Capacity strategy to ensure timely service delivery during unexpected or extreme precipitation events, including:

1. an operational analysis of projected extreme weather frequency based on current climate modeling and climate data;
2. mechanisms to scale resources, including but not limited to, on-call private contracting and emergency procurement, to meet services levels outlined in the SNIC Administrative Procedures when accumulation exceeds City-owned and standard contract capacity;
3. specific strategies to prioritize accessibility with consideration of the active pathway network in areas of high Social Vulnerability Index during these surge events, including but not limited to more proactive crosswalk and access point windrow removal and clearing; and
4. any other strategies or enhancements that could improve service delivery.

- Notice of Motion Given: February 20, 2026, City Council - Non-Regular

10.5 City of Edmonton Strategic Priorities and Opportunities for Defense (A. Knack)

Mayor A. Knack stated that at the next regular meeting of City Council, the following motion would be moved:

That the City Manager, in partnership with the Edmonton Region Defence Alliance and other relevant organizations, identify strategic priorities and opportunities for defense for the City of Edmonton, including coordination and investment attraction, in alignment with Canada's newly launched Defense Industrial Strategy and other intergovernmental defense priorities, using existing delegated authority and budget.

- Notice of Motion Given: February 24, 2026, City Council Public Hearing
