The Ukrainian National Federation of Canada - Edmonton Branch is listed on the Inventory of Historic Resources in Edmonton and merits designation under City Policy C450B - Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton. The two-storey building fronting on 98 Street was originally constructed in 1947. The building played a significant role in the growth of Edmonton's Ukrainian community in the post-Second World War era.

The regulated portions of the structure, as outlined in Schedule A of Attachment 1, will be preserved and maintained. Any future renovation of the Ukrainian National Federation of Canada - Edmonton Branch will be required to meet the *Standards and Guidelines for the Conservation of Historic Places in Canada*. A memorandum regarding the Notice of Intention to Designate the Ukrainian National Federation of Canada - Edmonton Branch as a Municipal Historic Resource was sent to City Council on December 2, 2025 and the formal Notice letter was mailed to the owners of the Ukrainian National Federation of Canada - Edmonton Branch on December 11, 2025. The Notice of Intention is valid for 120 days (Attachment 2).

Community Insight

Through the creation of The City Plan, Edmontonians advised that it was critical to retain and steward historic resources even as the City is redeveloped and modernized, recognized as The City Plan value of "Preserve." Administration has engaged with the property owner throughout the designation process. Additional engagement with the public for this process is not a requirement under the *Historical Resources Act*.

Budget/Financial Implications

Upon completion of the project phases, the Heritage Resources Reserve will pay the owner up to \$4,488.75 for rehabilitation of the historic elements of the structure. The current Reserve balance is sufficient to cover the committed funding, including the Ukrainian National Federation of Canada - Edmonton Branch. The total estimated cost of the eligible heritage restoration work for the project is \$8,977.50.

Beyond the \$4,488.75 grant from the Heritage Resources Reserve, the owner is responsible for all costs of the restoration work for the project.

Administration is considering a number of potential heritage designations and projects for the Reserve funds, which will be brought forward for Council approval as required. Based on the current commitments, including the Ukrainian National Federation of Canada - Edmonton
