

Council Priorities

Priority	Actions					Principles
Economic Development	Support business start-ups and growth.	Increase industrial and business investment.	Leverage arts, culture and sports as economic tourism drivers.	Increase downtown vibrancy.		Fiscal Sustainability: We ensure strong governance that secures our financial position now and into the future.
Growth Management	Increase new residential and employment in nodes and corridors.	Enhance mobility networks.	Focus on renewal while supporting strategic growth.	Ensure fiscal resilience and design for redeveloping and developing areas.		Affordability: We support affordability through City programs, services, policy and infrastructure.
Safety	Ensure safety in public spaces.	Support violence prevention and community safety.	Continue action on housing options.	Address problem properties.	Ensure safety on our roadways.	Relationship Driven: We foster trust and transparency to better serve Edmontonians, our partners, and our staff.
Quality Services	Deliver services that respond to growth and public input	Innovate systems.	Build and foster civic pride.
