

8. Motions Pending

8.1 AUMA Consideration to Condemn Bill 21 Banning of Religious Symbols (M. Banga)

Councillor M. Banga stated that at the next regular meeting of City Council, he would move the following:

That Edmonton City Council put forward a resolution to the Alberta Urban Municipalities Association for consideration at their 2020 Annual Convention requesting that members condemn Quebec's Bill 21 banning religious symbols.

- Notice of Motion Given: June 9, 2020, City Council Public Hearing

8.2 Missing and Murdered Indigenous Women and Girls National Inquiry Final Report – Call to Justice Options of Implementation (A. Paquette)

Councillor A. Paquette stated that at the next regular meeting of City Council, he would move the following:

That Administration return with a report outlining potential options for implementing the 231 Calls to Justice outlined in the Missing and Murdered Indigenous Women and Girls National Inquiry Final Report, including short, medium, and long term action within the scope of City of Edmonton municipal jurisdiction.

- Notice of Motion Given: June 9, 2020, City Council Public Hearing

8.3 Limiting the Use of Wood Roofs (M. Walters)

Councillor M. Walters stated that at the next regular meeting of City Council, he would move the following:

That Administration provide a report on the considerations and steps required to create a bylaw limiting the use of wood roofs in Edmonton, and in particular the use of wood roofs in neighbourhoods adjacent to ravines or forests as well as offering any available commentary on the legislation applicable to wood roofs.

- Notice of Motion Given: June 8/10, 2020, City Council

8.4 Damaged Infrastructure (M. Walters)

Councillor M. Walters stated that at the next regular meeting of City Council, he would move the following:

That Administration provide a report on the following:

- how the city manages and responds to citizen reports about damaged infrastructure both owned by the City of Edmonton and our Utility partners.
 - how we inventory all utility infrastructure both City of Edmonton-owned and non City of Edmonton owned and suggested improvements to tracking, managing and maintaining this inventory.
- Notice of Motion Given: June 8/10, 2020, City Council

8.5 City Owned Golf Courses (J. Dziadyk)

Councillor J. Dziadyk stated that at the next regular meeting of City Council, he would move the following:

That Administration prepare a report on City owned golf courses to include:

1. An outline of the yearly revenues and operating costs over the last five full golf seasons
 2. An analysis of the pros and cons of operating municipal golf courses, including a jurisdictional scan of what other municipalities, such as Calgary, are doing to ensure adequate access to golf for residents.
- Notice of Motion Given: June 8/10, 2020, City Council

8.6 City Policy C509B - Naming Development Areas, Parks, Municipal facilities, Roads and Honorary Roads (A. Paquette)

Councillor A. Paquette stated that at the next regular meeting of City Council, he would move the following:

That Administration return to Council with an updated City Policy C509B Naming Development Areas, Parks, Municipal facilities, Roads and Honorary Roads to ensure focus and historical relevance on Indigenous place names in Edmonton.

- Notice of Motion Given: June 16, 2020, City Council
