

# Executive Committee Report

## Drainage Design and Construction Update

### *Recommendation of the Committee*

That Utility Committee address the Utility Fiscal Policy amendments that may be necessary to allow some of the drainage projects to be funded by grants, such as the Municipal Sustainability Initiative Grant.

### *History*

At the June 24, 2013, Executive Committee meeting, the June 24, 2013, Financial Services and Utilities report CR\_107 was considered and the following motion was passed:

That Administration provide a report that provides a detailed analysis of the full per meter costs included in those projects built by the City of Edmonton listed in Table 1 of Attachment 1 of the June 24, 2013, Financial Services and Utilities report CR\_107.
