

## Shaw WiFi

**Other Canadian Municipalities  
and their Approaches with Shaw WiFi**

	Calgary	Victoria	Winnipeg
<b>Previous Public WiFi</b>	None	None	None
<b>Public Access</b>	Competing for best city-wide free wifi	Public gets 1 hour of access per month	No public access, outside of public library
<b>Locations</b>	City owned facilities, train stations, and parks	City owned facilities, parks and streetlights and traffic lights	Public buildings (incl. community centers)
<b>Fees</b>	\$1 per location	\$400K plus \$100 permit per access point	\$20 per Access Point per year
<b>Contribution</b>	Project Mgt, power, access to some infrastructure	Project Mgt	Project Mgt
<b>Contract</b>	RFP in process, for 3 year contract	5 year	10 +5 years
<b>Arrangement</b>	Non-exclusive	Non-exclusive	Non-exclusive

As a general observation; as the fees increase, the amount of public access decreases. Each City has a decision to act as a tenant or a strategic partner.
