

Transportation Committee Report

Northwest LRT (Metro Line) Concept Planning Study – NAIT to Campbell Road (Northwest City Limits)

Recommendation of the Committee

1. That the Northwest LRT Concept Plan as outlined in Attachment 1 of the May 1, 2013, Transportation Services report 2013TS6519, be approved.
2. That prior to preliminary engineering stage, Administration further review the concept plan to address issues regarding the impact and benefits of the proposed change from an urban to suburban style LRT system at 153 Avenue and including transit station alignment.

History

At the May 1, 2013, Transportation Committee meeting, the May 1, 2013, Transportation Services report 2013TS6519 was considered and the Committee heard from B. Esslinger, Cumberland Oxford Community League; J. Kolkman; M. Neumann and G. Masterson, Canada Lands; and L. Bracko, City of St. Albert.

At the May 1, 2013, Transportation Committee meeting, the following motions were passed:

- That Administration consult with Canada Lands and provide a report to Transportation Committee to determine how the 137 Avenue proposed transit centre can be reduced in size and ensure that both the transit station and proposed transit centre are integrated to allow for Transit Orientated Development at the Griesbach site.
