

Council/Executive Committee Report

Internet Voting Option in City of Edmonton General Elections

THIS ITEM IS REFERRED TO CITY COUNCIL WITHOUT A COMMITTEE RECOMMENDATION

Administration Recommendation

1. That an internet voting option for the 2013 General Election be approved, subject to the necessary *Local Authorities Election Act* regulation changes.
2. That Administration request that Alberta Municipal Affairs make the necessary regulation changes to allow implementation of an internet voting option.
3. That Administration bring forward amendments to Election Bylaw 15307 to address legislative requirements for internet voting.

History

- At the January 28, 2013, Executive Committee meeting, the January 23, 2013, Corporate Services report 2013COC001 was considered and the Committee heard from C. Cates, M. Nathan and G. Babineau, and referred this item to City Council without a Committee recommendation. The Committee passed a subsequent motion as follows:
That Administration provide a report for the February 6, 2013, City Council meeting, outlining additional advance voting options, including an additional day of advance voting, and potential costs of these options.
- At the January 23, 2013, City Council meeting, the January 23, 2013, Corporate Services report 2013COC001 was referred to the January 28, 2013, Executive Committee meeting to hear from the public.
