ADMINISTRATION REPORT Gmonton ASP & NSP AMENDMENTS + REZONING Kinglet Gardens

12510 - Winterburn Road NW

To redistribute areas for medium density residential use, reconfigure the shape and size of a stormwater management facility (SWMF), and allow for the development of low density residential uses.

RECOMMENDATION AND JUSTIFICATION

Administration is in **SUPPORT** of this application because it:

- will distribute medium density residential land uses more evenly throughout the neighbourhood Plan;
- will allow for a variety of low density housing types;
- will contribute to a compact urban form by allowing flexibility of lot sizes;
- will facilitate the orderly development of the neighbourhood; and
- will be compatible with existing and planned land uses.

THE APPLICATION

- 1. **BYLAW 19129** to amend the Kinglet Gardens Neighbourhood Structure Plan (NSP);
- 2. BYLAW 19136 to amend the Big Lake Area Structure Plan (ASP); and
- 3. CHARTER BYLAW 19130 to amend the Zoning Bylaw.

This application consists of three (3) components.

The first component is a proposed amendment to the Kinglet Gardens NSP to:

- Redistribute a portion of land planned for Street Oriented (Row Housing) Residential use from the northeast to the northwest area of the plan;
- Reconfigure the shape and size of a stormwater management facility (SWMF); and
- Add area for Low Density Residential use in the northeast portion of the plan.

The amendment to the Kinglet Gardens NSP also includes proposed updates to the land use and population statistics and relevant figures.

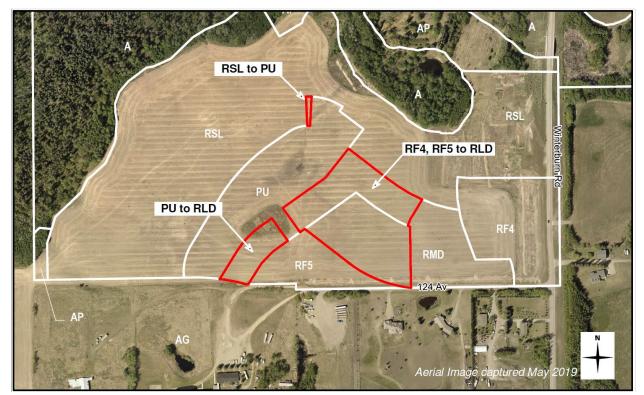

The second component is an amendment to the Big Lake ASP to update the land use and population statistics to align and ensure consistency with the amendments to the Kinglet Gardens NSP, as proposed by Bylaw 19129.

The third component is a proposed rezoning in the northeast portion of the neighbourhood to facilitate the development of low density housing and reduce the size of a SWMF, in accordance with the land use designations of the NSP (as proposed by Bylaw 19129).

Bylaw 19130 proposes to amend the subject land:

| From: | То: |
|--|--|
| (PU) Public Utility Zone (RF4) Semi-detached Residential Zone (RF5) Row Housing Zone (RSL) Residential Small Lot Zone | (PU) Public Utility Zone (RLD) Residential Low Density Zone |

SITE AND SURROUNDING AREA

AERIAL VIEW OF APPLICATION AREA

| | EXISTING ZONING | CURRENT USE |
|-----------------|--|---|
| SUBJECT SITE | (RSL) Small Lot Residential Zone (PU) Public Utility Zone (RF4) Semi-detached Residential Zone (RF5) Row Housing Zone | Vacant / undeveloped land |
| CONTEXT | | |
| North | (RSL) Small Lot Residential Zone (PU) Public Utility Zone | Vacant / undeveloped land |
| East | (RF5) Row Housing Zone (RMD) Residential Mixed Dwelling Zone | Vacant / undeveloped land |
| South | (RF5) Row Housing Zone(AG) Agricultural Zone | Vacant / undeveloped land Rural Residential acreages |
| West | (RSL) Small Lot Residential Zone (PU) Public Utility Zone | Vacant / undeveloped land |

PLANNING ANALYSIS

The proposed amendment to the Kinglet Gardens NSP will redistribute Street Oriented Residential uses (Row Housing) from a larger agglomeration in the northeast portion of the neighbourhood, to a more even distribution along the planned collector roadway in the northwest part of the neighbourhood.

The reduction of the SWMF by 0.38 ha is the result of a refined engineering analysis, which concluded the original design of the SWMF was larger than required. Consequently, this revision has freed land that can now be made available for residential use. Public access and visibility from the main collector roadway (at the southernmost edge of the SWMF) has been maintained as part of the storm pond's reconfiguration.

In the aggregate of the land use changes proposed in the NSP, the amount of land designated for low density residential use will increase by 0.81 ha. However, the scale of this change is nominal and the overall residential density for the Neighbourhood Plan will remain unchanged at 33 units per net residential hectare (upnrha).

In terms of development regulations, height and scale, the proposed RLD Zone is compatible with the adjacent land that is zoned RSL and located to the north and east of the subject site. The RLD Zone also allows for a greater variety of lot sizes and widths, which contributes to a more compact urban form and efficient utilization of land with respect to Single Detached residential built-forms.

TECHNICAL REVIEW

The proposed amendments have been reviewed by all required technical agencies. The planned civic infrastructure can accommodate the proposed changes and will be provided in due course at later stages of development. All comments from affected City Departments and utility agencies have been addressed.

| Commercial | 4.3 | 3.3% |
| Parkland, Recreation, School (Municipal Reserve) | | |
| Community League | 1.2 | 1.0% |
| Pocket Parks & Greenways | 2.9 | 2.3% |
| Natural Area | 4.3 | 3.3% |
| Transportation | | |
| Circulation | 25.8 | 20.0% |
| Infrastructure & Servicing | | |
| Drainage (Public Utility Lot) | 0.5 | 0.4% |
| Stormwater Management | 9.8 | 7.6% |
| TOTAL Non-Residential Area | 48.8 | 37.8% |
| NET RESIDENTIAL AREA (NRA) | 80.3 | 62.2% |
| | | |

RESIDENTIAL LAND USE AREA, UNIT AND POPULATION

| | Area (ha) | Units/ha | Units | People/Unit | Population | % of Total Units |
|---|-----------|----------|-------|-------------|------------|------------------------|
| Low Density Residential (LDR) | | | | | | |
| Single/Semi-Detached Street Oriented Resdiental (Row Housing) Low Rise/Multi/Medium Density Residential | 64.9 | 25 | 1,623 | 2.8 | 4,544 | 62% |
| | 8.6 | 45 | 387 | 2.8 | 1,084 | 15% |
| | 6.8 | 90 | 612 | 1.8 | 1,102 | 23% |
| TOTAL | 80.3 | | 2,622 | | 6,730 | 100.0% |

SUSTAINABILITY MEASURES

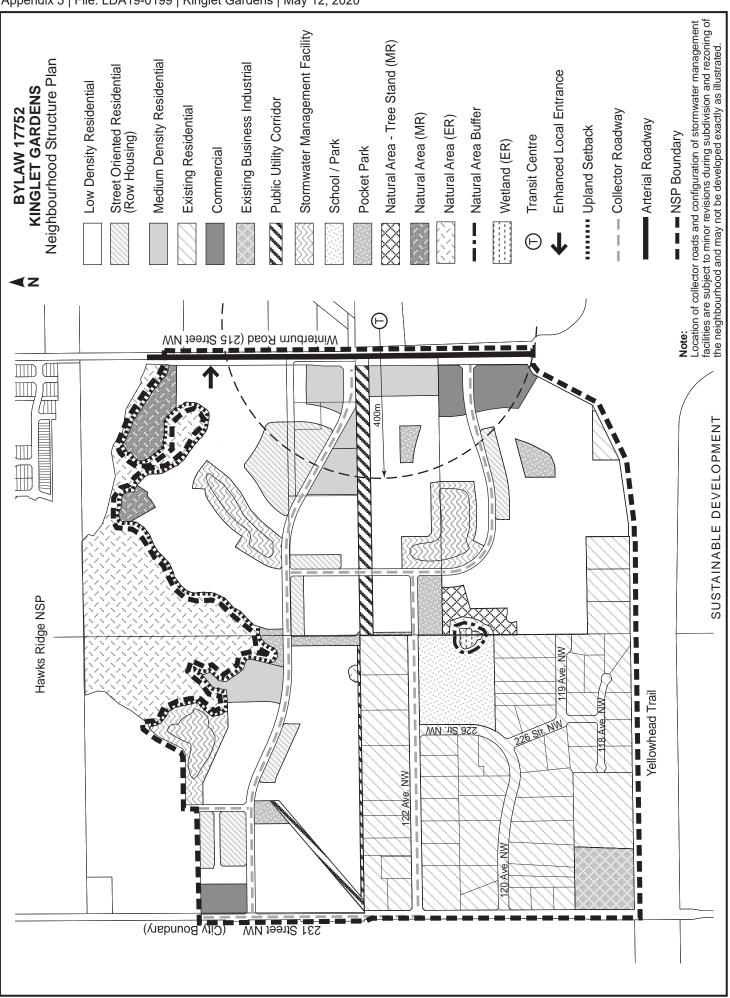

| Population Per net Hectare (ppnha) | 84 |
|--|-------|
| Units Per net Residential Hectare (upnrha) | 33 |
| | 62% / |
| LDR/MDR Ratio | 38% |
| Population (%) within 500 m of Parkland | 100% |
| Population (%) within 400 m of Transit Service | 100% |
| Population (%) within 600 m of Commercial | |
| Service | 81% |
| | |

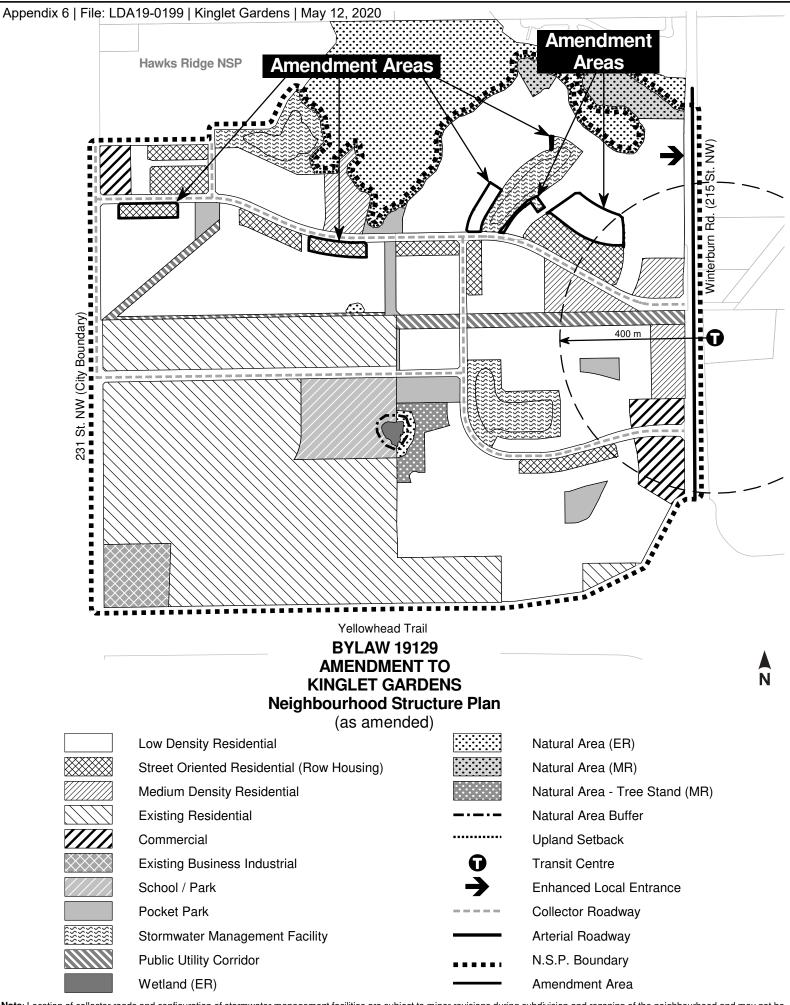

STUDENT GENERATION STATISTICS

| Level | Public | Separate |
|--------------------|--------|----------|
| Elementary | 258 | 129 |
| Junior High School | 129 | 65 |
| Senior High School | 129 | 65 |
| Total | 516 | 259 |

*The exact area and location of Municipal Reserve will ultimately be determined at the time of subdivision through discussion with Sustainable Development-Parks Planning.

"25% of the RMD density is accounted for as MDR

Note: Location of collector roads and configuration of stormwater management facilities are subject to minor revisions during subdivision and rezoning of the neighbourhood and may not be developed exactly as illustrated.

APPLICATION SUMMARY

INFORMATION

| Application Type: | Plan Amendments & Rezoning | |
|----------------------------------|---|--|
| Bylaw/Charter Bylaw: | Bylaw 19136 | |
| | Bylaw 19129 | |
| | Charter Bylaw 19130 | |
| Date of Application Acceptance | April 18, 2019 | |
| Location: | North of 124 Avenue NW and West of Winterburn Road NW | |
| Address: | 12510 Winterburn Road NW | |
| Legal Description: | A portion of NE-13-53-26-4 | |
| Site Area: | 3 ha | |
| Neighbourhood: | Kinglet Gardens | |
| Notified Community Organization: | Big Lake Community League | |
| Applicant: | Stantec | |

PLANNING FRAMEWORK

| Current Zones: | (RSL) Small Lot Residential Zone | | |
|------------------|--|--|--|
| | (RF4) Semi-detached Zone | | |
| | (PU) Public Utility Zone | | |
| | (RF5) Row Housing Zone | | |
| Proposed Zones: | (PU) Public Utility Zone | | |
| | (RLD) Residential Low Density Zone | | |
| Plans in Effect: | Big Lake Area Structure Plan | | |
| | Kinglet Gardens Neighbourhood Structure Plan | | |
