## Position of Administration

Administration supports this proposed Charter Bylaw.

## Report

Charter Bylaw 19276 proposes to rezone land from the (RF1) Single Detached Residential Zone to the (RF3) Small Scale Infill Development Zone. The purpose of the proposed RF3 Zone is to provide for a mix of small scale housing such as Single Detached, Duplex, Semi-detached, and Multi-unit Housing. The Mature Neighbourhood Overlay would continue to apply to the site to ensure the future built form remains compatible with the existing residential neighbourhood. The application conforms to the Jasper Place Area Redevelopment Plan, which designates this site for active edge housing, including all the housing forms listed.

All comments from civic departments or utility agencies regarding this proposal have been addressed.

## Public Engagement

Advance notice was sent to surrounding property owners and the presidents of the Glenwood Community League and the Stony Plain Road and Area Business Improvement Area on January 20, 2020. No responses were received.
