## Description

Phase 2 - Unfunded

**Total Financing** 

This project provides funding requirements for land acquisition, detailed design and construction of the Mill Woods to Lewis Farms LRT line. Also included in this project is the purchase of light rail vehicles and construction of a LRT maintenance facility. Phase 2 commencement is subject to funding from other orders of Government.

The conceptual schedule is as follows (subject to preliminary design, value engineering and constructability reviews)

## Phase 1

2012-2013: SE and Downtown land acquisition (Stage 1), and West critical land acquisitions (\$161 million). SE to W Preliminary design for \$39 million is funded under capital profile 11-66-1668.

## Phase 2

2013-2026: Land acquisition (\$55 million), detailed design, utility relocations, maintenance facility construction, purchase of light rail vehicles, LRT line and station construction. LRT construction would commence in 2014 or 2015 depending funding and delivery method.

Costs are based on a 2014 construction start and a 2017 completion with Phase 1 and Stage 1 of Phase 2 proposed for this time horizon. Costs for the \$3.161 billion are based on a 2017 construction completion.

The LRT line is expected to be operational for a 75-100 year period. Various equipment, structures, and assets and along the right of way will have design life ranging from 10 to 50 years. Design life for the light rail vehicles is 35 years.
