

**Bylaw 11004, The Mechanical Permits Bylaw, Schedules A, B, C**

**SCHEDULES "A, B and C"  
MECHANICAL PERMIT FEES**

Effective January 1, 2012

**SCHEDULE "A"**

**GAS PERMIT FEES**

1. GENERAL INFORMATION REGARDING FEES

- (a) The Director may determine the construction value of a project for the purpose of establishing the fees payable hereunder. The construction value shall include any applicable sales taxes, goods and services taxes and value added taxes. The Director may require the applicant to submit executed contracts to establish this construction value.

Construction value is the value of the proposed construction of the building, which includes the following:

- Building components (all materials used in the construction of the building including all building services, electrical, fire alarm and detection systems and fire protection equipment),
- Plumbing components (fixtures, drainage system, venting systems and water systems or part thereof),
- Heating components (systems and equipment for heating, ventilating and air-conditioning services).

but does not include:

- Landscaping,
- Parking lots on grade,
- Curbs, access roads, sidewalks or other site development not related to the building structure,
- Furnishings or appliances or other non-fixed appurtenances,
- Window coverings,
- Mechanical process equipment that is not required for building services or regulated by the Safety Codes Act,
- Temporary service connections such as power for contractor use,
- Insurance or bonding,
- Interim financing,
- Permit fees,
- Professional consulting fees.

- (b) If the initial plans submitted are not satisfactory to the Safety Codes Officers and revised plans are required, there may be an additional fee charged for all subsequent re-examination of such plans.
- (c) In the event that any construction, additions, alteration, repair, reconstruction, use, occupancy relocation, removal, demolition, excavation or hoarding has been commenced prior to a permit being obtained, the Safety Codes Officer may charge double the regular fees for the permit.

2. PERMITS FOR SINGLE DETACHED HOUSING
