

Status of Reports

City Council

October 26, 2011

Recommendation:

That the following revised due date be approved:

1. Edmonton as a Leading Mid-Sized City by 2030

Sustainable Development

Original Due Date: October 26, 2011

Revised Due Date: November 9, 2011

- Administration requires more time to allow Edmonton Economic Development Corporation to complete their due diligence with all Civic Departments that have an interest in this report.
