

Transportation and Infrastructure Committee Report

Annual Seniors Transit Passes

Transit Fare Structure and Three-year Model

Recommendation of the Committee

That Mayor S. Mandel write a letter to the Chair of the Capital Region Board, and a copy be sent to the Alberta Minister of Transportation, indicating Edmonton's desire to proceed with implementation of electronic fare payment in the city and region on an expeditious basis.

History

- At the October 18, 2011, Transportation and Infrastructure Committee meeting, the October 18, 2011, Transportation Services reports 2011TS2161 and 2011TS6477 were dealt with together and the following motions were made:
 1. That Administration provide a report to Transportation and Infrastructure Committee on the regional fare study being undertaken by the Capital Regional Board Transit Committee.
 2. That Administration provide a report to Transportation and Infrastructure Committee with demographic projections of the impact of an aging population, along with the impact of more people working past the age of 65, as it relates to ridership and fare strategy.
- At the October 18, 2011, Transportation and Infrastructure Committee meeting, the Committee heard from M. Makarechian, Edmonton Transit System Advisory Board.
