Walterdale Bridge Replacement Concept Plan

Recommendation of the Committee

That the Walterdale Bridge replacement alignment and “signature” structure, as outlined in Attachments 1 and 2 of the April 12, 2011, Transportation Department report 2011TD7838, be approved.

History

At the April 12, 2011, Transportation and Public Works Committee meeting, the April 12, 2011, Transportation Department report 2011TD7838 was considered and the following motion was passed:

That Administration provide a report to Transportation and Public Works Committee, regarding the projected costs and other implications for developing the current Walterdale Bridge as a pedestrian and cycling bridge.
