A Bylaw to authorize the City of Edmonton to construct, finance, and assess Aerial Line Alley Lighting Local Improvement

WHEREAS:

These rates will apply whether the actual cost of the local improvement is greater or less than the uniform tax rate;

In order to construct and complete the said project, it will be necessary for the City of Edmonton to borrow the sum of \$2,306.00 for the property owners' share on the terms and conditions referred to in this Bylaw;

The City of Edmonton will repay the indebtedness over a period of five (5) years in semi-annual or annual instalments, with interest not exceeding nine per cent (9%), per annum, payable semi-annually or annually;

The amount of the existing debenture debt of the City of Edmonton at December 31, 2009 is \$1,492,565,983.59, no part of which is in arrears;

The estimated lifetime of the project is a minimum of five (5) years;

The proposed construction will serve about 106 assessable metres of frontage;

All required approvals for the project have been obtained and the project is in compliance with all Acts and Regulations of the Province of Alberta;

The Council of the City of Edmonton has given proper notice of intention to undertake Aerial Line Alley Lighting Local Improvement, the costs or a portion of the costs thereof to be assessed against abutting owners in accordance with the attached Schedule "A", and no sufficiently signed and valid petition against the said proposal has been received by Council.

THEREFORE, THE COUNCIL OF THE CITY OF EDMONTON DULY ASSEMBLED  
ENACTS AS FOLLOWS:

1. That a uniform tax rate for each unit of frontage of \$4.65 per assessable metre per annum for 5 years be set for Aerial Line Alley Lighting Local Improvement, new construction, undertaken in 2010.

2. With respect to parcels of land which are zoned RF1, RF2, RF3, RF4, RPL, RR, RSL, PU, US, A, AP, and RMH pursuant to Bylaw No. 12800, as amended, otherwise known as the Zoning Bylaw of Edmonton, and with respect to local improvement construction;

- a) the assessed frontage (the abutting portion of the parcel) shall be calculated, dependent on the parcel shape and dimensions by using one of the following methods:
  - i) for parcels of land having equal front and rear parcel dimensions, the assessed frontage shall be equal to the abutting parcel dimension,
  - ii) for irregular shaped parcels of land having a front and rear parcel dimension that are different but do not exceed the other by more than twice as much, the assessed frontage shall be equal to adding together the lot dimensions of the front of the parcel and the lot dimensions of the rear of the parcel and dividing the total by two,
  - iii) for odd or pie shaped parcels of land having a front and rear parcel dimension that are different and exceed the other by more than twice as much, the assessed frontage shall be equal to adding together the lot dimension of the front of the parcel and the scaled dimension of the rear of the parcel (based on a production of the shortest parcel flankage length being imposed to that point on the longest parcel flankage length) and dividing the total by two and this average shall not exceed by more than two times the front parcel dimension.
- b) with respect to the side or flankage of such parcels, they shall be assessed fifteen per cent (15%) of the total number of lineal metres along the side or flankage thereof abutting the road where the local improvement is undertaken.

3. That the foregoing unit tax rate was calculated based on a two and two hundred fifty-eight one-thousandths per cent (2.258%) interest charge per annum for a five (5) year assessment.

4. That for the purpose of the Aerial Line Alley Lighting Local Improvement the sum of \$2,306.00 be borrowed by way of debenture on the credit and security of the City of Edmonton at large, of which amount the sum of \$2,306.00 is to be collected by way of local improvement assessment as provided in Schedule "A".
5. The debentures to be issued under this Bylaw shall not exceed the sum of \$2,306.00, and may be in any denomination not exceeding the amount authorized by this Bylaw and shall be dated having regard to the date of the borrowing.
6. The debentures shall bear interest during the currency of the debentures, at a rate not exceeding nine per cent (9%), per annum, payable semi-annually or annually.
7. The debentures shall be issued for a period of five (5) years and the City of Edmonton will repay the principal and interest in semi-annual or annual instalments.
8. The debentures shall be payable in lawful money of Canada at the principal office of the Toronto-Dominion Bank either in the City of Edmonton, in the Province of Alberta, or at its principal office in the City of Toronto, in the Province of Ontario.

10. The debentures shall be signed by the Mayor and the City Manager of the City of Edmonton and the City Manager shall affix thereto the corporate seal of the City of Edmonton.

11. There shall be levied and raised in each year of the currency of the debentures a rate on all the taxable property in the City of Edmonton, collectible at the same time and in the same manner as other taxes, in an amount sufficient to pay the principal and interest falling due in such year on such debentures and in addition thereto the amount required to pay any of such debentures which fall due in each year after applying the local improvement assessment hereafter provided for.

12. The indebtedness is contracted on the credit and security of the City of Edmonton at large.

13. During the currency of the debentures, there shall be raised annually for payment of the owners' portion of the cost and interest thereon, by local improvement assessment, the respective sums shown as yearly payments on Schedule "A" and there is hereby imposed on all lands fronting or abutting on that portion of the streets or places whereon the improvements are to be laid, a local improvement assessment sufficient to cover the owners' portion of the cost of the said work and the interest thereon payable at the unit rate or rates set forth in said Schedule "A". The local improvement assessment shall be in addition to all other rates and taxes.
