

Key Questions

1. Does Council's current committee structure work? If no, how should the committees better align to Council's vision?
2. Should Committee membership be fixed three-year terms? If yes, which committees? How should membership be determined?
3. Does Council need a Utilities Committee? If yes, what is the Committee composition and purpose?
4. Do Councillors have an opportunity to influence Agendas and priorities? If no, what other mechanisms and/or processes would help?
