

# Transportation and Public Works Committee Report

## **Downtown LRT Concept Planning and Engineering – Amending Agreement**

### *Recommendation of the Committee*

That Administration provide a report to City Council on the timeline and funding required for the alignment and concept planning for the LRT Central Area Circulator, as part of the 2011 budget deliberations.

### *History*

At the June 29, 2010, Transportation and Public Works Committee meeting, the June 2, 2010, Transportation Department report 2010TD4994 was considered and the following motion was passed:

That an amendment to the agreement with Steer Davies Gleave, in an amount up to \$650,000 plus GST, for concept planning and engineering of the Downtown LRT connection between the Southeast and West LRT alignments be approved, and that the agreement be in a form acceptable to the City Manager.
