Dear Sir/Madam:

Re: Alberta Hindi Association (Parishad)
Unit #102, 3907-98 Street; Tax Roll a/c 4232872

The Alberta Hindi Association (AHA) is a non-profit Community organization promoting Hindi language and the East Indian Culture in the greater Edmonton area and Alberta. The Association purchased the unit #102 in January, 2008 and has been granted property tax exemption. This unit has been assessed taxes for the period January 2008 to May 31, 2009. The papers requesting the tax exemption somehow were not submitted in time (due to annual changes in the Board of Directors) and were resubmitted in June this year.

We sincerely request you to please cancel the property taxes for the above period under your authority through Section 347-1-A Municipal Government act. We will greatly appreciate your kind approval of this request.

Sincerely Yours

M. Paul Sharma
Immediate Past President
