

Amendment to the Southeast Area Plan

1. That the Southeast Area Plan be amended by deleting policy 5.2.C.1. in its entirety and replacing with:

“5.2.C.1. Proposed and existing multiple family development will be located at the periphery of neighbourhoods, along arterial and transit routes except for the site legally described as Lot 28, Block 13, Plan 4892HW which may be developed as medium density row housing under the RF5 zone.”
