**Recommendation:**

That the following revised due dates, be approved:

City Operations - CR\_7410

**Original Due Date: To Be Determined (Urban Planning Committee)**

**Revised Due Date: January 2020  
(Community and Public Services Committee)**

- Administration recommends aligning this report with six forthcoming related reports, enabling Council to consider complete information related to roadway classification, speed limits, and Vision Zero.

**2. Edmonton Transit Service Fare Policy C451H**

City Operations - CR\_7078

**Original Due Date: October 15, 2019 (Urban Planning Committee)**

**Revised Due Date: October 28, 2019 (Executive Committee)**

- This report and CR\_7128 Ridership Recovery and Growth are budget-related and intertwined so Administration would like to present them together at the October 28, 2019, Executive Committee. CR\_7128 Ridership Recovery and Growth will provide further information on how fares, among other factors, impact ridership. Presenting both reports in the same meeting would best prepare Committee to make decisions on fare policies.
