

## 8. Motions Pending

### 8.1 Assessment of the Impact of Methamphetamine Use (M. Walters)

Councillor M. Walters stated that at the next regular meeting of City Council, he would move the following:

That Administration work with the Edmonton Police Service to bring forward a verbal report detailing their current assessment of the impact of methamphetamine use on Edmontonian's, our communities and businesses and any new plans to address this issue.

- Notice of Motion Given: October 3, 2019, City Council
- Laid over: October 8, 2019, City Council

### 8.2 Edmonton Design Committee Policies (S. Hamilton)

Councillor S. Hamilton stated that at the next regular meeting of City Council, she would move the following:

That Administration bring a report on the Edmonton Design Committee Policies and procedures review. This should include available data on how support or non-support impacts project outcomes.

- Notice of Motion Given: October 8, 2019, City Council
