**Public Health Act Authorities**

(i) take whatever steps the medical officer of health considers necessary

(A) to suppress the disease in those who may already have been infected with it,

(B) to protect those who have not already been exposed to the disease,

(C) to break the chain of transmission and prevent spread of the disease, and

(D) to remove the source of infection;

(ii) by order

(A) prohibit a person from attending a school,

(B) prohibit a person from engaging in the person's occupation, or

(C) prohibit a person from having contact with other persons or any class of persons for any period and subject to any conditions that the medical officer of health considers appropriate, where the medical officer of health determines that the person's engaging in that activity could transmit an infectious agent;

(iii) issue written orders for the decontamination or destruction of any bedding, clothing or other articles that have been contaminated or that the medical officer of health reasonably suspects have been contaminated.

(b) may take whatever other steps are, in the medical officer of health's opinion, necessary in order to lessen the impact of the public health emergency.
