

Attachment 1 – Program Summary and recommended grants

Program Summary

The Arts Building Operating grant invests in a portion of the costs associated with maintaining clean, well lit, heated and secure arts facilities that are regularly accessible by the public, whose use is of interest to the public and community groups.

Registered not-for-profit arts organizations that own or have long-term leases on concert facilities, theatres, and galleries in the corporate limits of the City of Edmonton are eligible to apply.

Grants may be awarded, subject to availability of funds, to a maximum of 25% of an applicant's total eligible expenses from their most recently completed annual financial statements as of the application deadline.

In 2019, the recommended grants will support the maximum 25% of eligible expenses, similar to 2017 and 2018.
